In compliance with Guidelines of Summer Project of Paschim Banga Smagra Shikha Mission dated 14.03.2023 for the holistic development of School Students from V- X, I, the HOI of Bandel Vidyamandir Girls'High School propose to send about 120 numbers of students of class IX & X at your esteemed institution named HETC at Hooghly for educational visit scheduled on **04.05.2023** for acquiring confidence and employability skill as well as to gain practical and rudimental knowledge of technology. Aiming at materialise the project your Technical cum Engineering Institution is the ideal place of Cognition for sustainable development towards the school students. Therefore you are sincerely requested to allow our students at your end accompanied with our Teachers to visit the institution with support of your respected faculty.

We are looking forward for your favourable order by giving permission for accomplishing the activity smoothly and hassles free manner.

Your act of kindness will be ever prayed

Thanks & Regards

## REPORT

### SCHOOL STUDENT'S VISIT TO HETC

**Date: 03.05.2023 & 04.05.2023**

**Venue: Hooghly Engineering & Technology College (Different Laboratories)**

**Total No. of Participants: Approximately 350 students from Class IX & X**

In accordance with the guidelines recommended by the Paschim Banga Samagra Shiksha Mission on March 14, 2023, aimed at the holistic development of students from grades V to X, an educational visit was proposed by the Heads of Bandel Vidyamandir Girls' High School and Chinsurah Deshbandhu Memorial High School. This visit was organized as part of their Summer Project to Hooghly Engineering & Technology College.

The college authorities graciously agreed to host the program as a part of extension and outreach program, scheduling the visit for Chinsurah Deshbandhu Memorial High School on May 2nd and 3rd, 2023, and for Bandel Vidyamandir Girls' High School on May 4th, 2023 from 11:00 A.M onwards.

#### Objectives of the Visit:

- To build confidence and enhance employability skills among students.
- To provide practical and fundamental knowledge of technology.
- To promote sustainable development and cognitive enhancement among school students.

The college allowed the students, accompanied by their teachers, to explore various laboratories suited to their educational level. Faculty members and technical staff provided detailed explanations of the theories and practical applications of different experiments, fulfilling the students' educational needs.

The visit aimed to expose students to technical and engineering education, thereby enhancing their practical knowledge and skills. This initiative aligns with the mission to foster holistic development and prepare students for future workforce challenges.

The educational visit to Hooghly Engineering & Technology College was a significant opportunity for students to gain valuable insights into the field of technology. The collaboration between the schools and the college ensured a smooth and enriching experience, contributing to the students' overall development.

Sub: School visit to HETC

Respected Sir,

I undersigned hereby inform you that an educational tour had been organized in HOOGHLY ENGINEERING TECHNOLOGY COLLEGE on 4<sup>th</sup> May 2023 on behalf of Bandel Vidyamandir Girls' High School. Students of Class IX & X participated in this educational tour that was a part of their Summer Project. I hope, they gained some basic knowledge after visiting different departments of the aforesaid College which will help them to make educational decision in future.

Thanking you in anticipation,

With regards

Subject: Collaboration for Social Welfare activities

Dear Sir,

For the holistic development of a future engineer, as a conscious and sympathetic human being, we are trying to engage our students in various social welfare activities outside the college campus. As a part of that effort we are trying to organize small programmes for the benefit of the poor people around our college.

We have come to know that your organization is engaged in different welfare activities.

We, therefore, appeal to you to please collaborate with us in organizing different welfare programmes as outlined above. Hope you will accede to our request.

With regards,

**Sub: Mosquito net distribution program**

Dear Sir,

We are glad to let know that your students are eager to accompany us in organizing some social activities. In view of this, we are going to organize a mosquito net distribution program at Old Hooghly Ghat area on 4<sup>th</sup> March 2023 for underprivileged people of the area to prevent mosquito borne diseases.

So, please send few students volunteers to the said area on 4<sup>th</sup> March, 2023 at 4:00 pm.

We hope in future also your institution will come forward in holding such events.

Thanking You,

# REPORT ON THE EVENT OF DISTRIBUTION OF MOSQUITO NET TO THE UNDER PRIVILEGED.

Organized By NSS UNIT, HETC and Sanjivani Welfare Trust

On Saturday, 4<sup>th</sup> March , 2023 , An event of distributing mosquito nets to the people who have to spend nights on street was organised by the NSS unit of HETC in collaboration with Sanjivani Welfare Trust, for this event over twenty five students of HETC along with the teachers headed towards Hooghly Ghat Station.

The entire team of teachers and students left the college premises at 3:30 pm. They carried over 40pcs of mosquito nets and some refreshments for the under privileged in that area. The team awaited there for about twenty minutes with zeal and enthusiasm to make a small contribution to fulfil the needs of the families who are deprived of the basic necessities of livelihood.

After a while, few ladies gathered and one by one the mosquito nets were distributed by the students of the NSS unit. The entire event was a grand success as there was a smile of relief on their faces as on that very day they could protect their kids and family members from dengue, malaria and other contagious diseases that is spread by flies, mosquitos and other rodents ensuring a proper overnight sleep . The smiles and relief on their faces gave a feeling of satisfaction and real happiness which is possible only when we are able to help the people in need. They all left giving a lot of blessings and gratitude, with this the entire event came to an end and the team left for the college.

Thus, this event was a grand success with constant support of the program officers of the NSS unit and even due to the support of the members and students of the NSS UNIT.

TECHetc 2K23 NOTICE

09.03.2023

We are happy to inform you all that our college is going to organize the Annual technical Fest **TECHetc2k23** on 17- 18 March, 2023. All are requested to extend their support and cooperation towards making this event successful.

Interested students of HETC are requested to register their names as participants for the said event.

#### Registration Guidelines:

1. Students may register themselves **online** from 10<sup>th</sup> March to 15<sup>th</sup> March by transferring a fund of Rs 100/- to the account number with the following details:

A/C holder's Name : Hooghly Engineering & Technology College  
A/C Number : 50339432106  
Bank Name : Indian Bank  
IFSC Code : IDIB000C593  
Branch : Chinsurah Main

The transaction id (screen shot/downloaded receipt) of the payment is to be sent to [techetc@hetc.ac.in](mailto:techetc@hetc.ac.in) as an attachment. **DO NOT FORGET** to mention **Participant name, College Name, Year, Mobile No.** in the mail body. It is mandatory to write "**TECHETC REGISTRATION**" in the subject line of the e-mail.

However, one can also avail the facility of **offline-registration** in the college campus from 10<sup>th</sup> March onwards.

2. If somebody is willing to participate in the paid events then they will have to register and pay for the selected events at the time of event registration only. As there will be upper limit of participants for all those events, it will be done on a first come first serve basis.

For more details log on to <http://hetc.ac.in/TECHetc2k23> or you can ask any of the members of the Techfest committee.

To

The Principal Director,

*Subject: Invitation for TECHete 2K23*

Respected Sir/ Madam,

It gives us immense pleasure to inform you that Hooghly Engineering & Technology College (HETC), a premier Engineering Institute in Hooghly, is going to celebrate its Technical Fest - **TECHete 2K23** on 17-18 March 2023.

**TECHete 2K23** is a mega event to be held at the state level, including events like Robozigger, Model Display, Bridge the Gap, Coding, Mathmania, etc.

We will be pleased to have you as a part of **TECHete 2K23**, which would delight us with your appreciation.

We humbly request you to give wide publicity in your institute & motivate the students to participate in this event's maximum activities. The **TECHete 2K23** poster, mentioning the event's highlights, is attached herewith. A detailed account of the event is available on [www.hetc.ac.in/TECHete2k23](http://www.hetc.ac.in/TECHete2k23).

We look forward to your participation in this mega event and making it a grand success.

Yours sincerely,

Dr. Pratyay Debnath

## Hooghly Engineering & Technology College NOTE SHEET

The details of the estimated expenditure for the Annual Technical festival TECHetC 2k23 is given below:

1. Decorators-	15000/-
2. Printing Cost-	18000/-
3. Tiffin for Participants and Volunteers -	35000/-
4. Event preparing materials-	30000/-
5. Light and Sound	5000/-
6. Prize Money	75000/-
7. Flex Printing-	4000/-
8. Other Expenditures-	10000/-

Total- 1,92,000/-

It is expected that the income from the registration of the students will be nearly 57,000/- . Thus the actual expenditure from the College will be nearly 1,35,000/-.

I humbly request the concerned authority to see to this and grant necessary approval at the earliest.

## TECH Fest 2023 (17-18 March 2023)

### REPORT

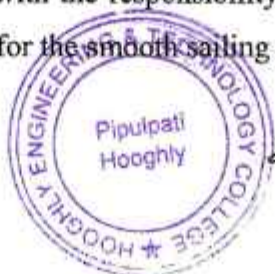

Technical fest always provides a wonderful opportunity to develop and showcase the technical prowess of the students. HETC conceptualized a state level annual technical fest named as “TECHetc” which bring along a plethora of various exciting technical, gaming & creative events.

HETC started a unique initiative ‘TECHetc’- an annual state level technical fest in 2015 to promote technical education, a culture of innovation and general awareness about science and technology amongst school students as well as college students from nearby areas as well as other parts of the state. The fest features a variety of competitive events designed to attract students as well as to inspire them to do something different and original. TECHetc2K23 was held on 17-18th March 2023 within the college premises. In this Inter-College Technical Fest, more than 600 students from 45 institutes, including our college, participated. Technical events were organized for the school students too. 18 different competitive events were held during the two days.

TECHetc always dreams of thinking “one step ahead”. Some of the interesting events of this year were “HUNT FOR FUN”, “MATH MANIA”, and TECHNICAL CROSSWORD. People those who opted for more specialization and hard-core technical events got their genres in “CODE-2-DUO”, “CODE-RESTYLE”, “CIRCUITECH”, Civil-O-Pedia”,  $\mu$ -MAT”, “INSTANT CIRCUIT”, “insta-PLAN” and other technical events. Most attractive events were obviously the gaming events like online “CHESS” and “8 BALL- POOL”. And also was conducted some of the popular and interesting events like, “MODEL DISPLAY”, “SUBWAY SURFER” “BRIDGE THE GAP” “ROBOZIGGER” and creative events like “ART CARNIVAL & DIGITAL PAINTING”. As of last year, this year also there was a responsive participation by the school students in their respective events. It is obviously a best platform to those scholastic ‘techy’ brains to get an essence of these technical events. The “backbone” behind the fest comprised of the Faculty and Staff members and also the 60 Student Volunteers, who were entrusted with the responsibility of conducting, planning and organizing the entire fest worked as team for the smooth sailing of the entire programme.

# A BRIEF REPORT ON EXTENSION ACTIVITIES

## ANNUAL SCHOOL CONNECT PROGRAMME: SCHOOL CARNIVAL - 2022

### ORGANIZED BY HOOGHLY ENGINEERING & TECHNOLOGY COLLEGE

#### Introduction:

Hooghly Engineering & Technology College (HETC) in its 18 years of excellence has successfully conducted its annual School Connect Programme, known as the "School Carnival," as part of its Extension and Community Outreach Activities. This event aimed to bridge the gap between school education and engineering education, fostering educational engagement and enhancing community involvement.

#### Date & Venue:

The colorful and memorable whole daylong event was held on 12<sup>th</sup> November 2022 at HETC campus, Hooghly.

#### Objectives:

- **Educational Engagement:** Introduce school students to the world of engineering and technology through interactive displays and demonstrations.
- **Community Integration:** Strengthen ties between HETC and local schools, promoting mutual understanding and collaboration.
- **Skill Development:** Provide workshops and activities aimed at enhancing students' technical skills and knowledge.
- **Career Awareness:** Offer insights into career opportunities in engineering and related fields.

#### Description of the Event:

At around 10:30 a.m. onwards the event came to live with the inauguration of School Carnival 2k-22 by our honorable President HETCS Dr. T. K. Bandyopadhyay, hon'ble Secretary HETCS Dr. Avijit Maity and Principal-in-Charge HETC Dr. Smitadhi Gangly.

A huge response was received from the participant's corner of Class 6 to Class 12. Around 400 student's was participated in our grand carnival events from Hooghly, Howrah, Burdwan, Kolkata, Bankura, North & South 24 Paraganas districts. The carnival was constituted with the following colorful sub-events:

SL No.	Name of the Events
1	Sit & Draw
2	Cricket
3	Quiz
4	Extempore
5	Chess
6	Fun Science
7	Mathmania (Junior & Senior)

Sreyasi Rupa De  
16/11/22

19 groups was participated in the event - Cricket, and turned it's a mega event not only that 100+ students participated in the event – Chess.

A lot of enthusiast's teachers, guardians, and many more gathered around from different school to cheer up the students. Local media has captured the grand moments for press release and published on "Bartaman" newspaper dated 15<sup>th</sup> November 2022.

Around 6.30 P.M. the great festive journey ended on a joyous and entertaining prize distribution ceremony with the winners with appreciation certificates and trophy and all the participant has been awarded with participation certificates.

All of us really enjoyed a lot and with a sincere hope that such mega events should be organized every year for giving the scope to school students showcase their talents. The notable appreciations received from the desk of Teachers from various school, Participants & Guardians which making the day memorable for everyone, the memories which would be carried by the every person present at that day in their bottom of the heart.

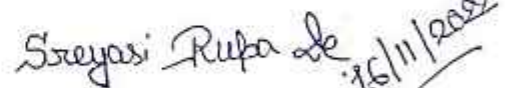

Last but not the least on behalf of Convener desk I would like to congratulate to the Management, Joint Convener, all the core members, and volunteers of the School Carnival 2022 as well as all the Teaching Non-Teaching staff members of HETC, all the Students & Stakeholder for their whole hearted support for the mega event.

### **Conclusion:**

The "School Carnival" organized by HETC exemplifies the college's commitment to educational outreach and community engagement. It provided an invaluable platform for school students to explore the exciting world of engineering and technology while fostering a spirit of collaboration and learning. The event's success underscores HETC's role in nurturing future talent and promoting academic excellence in the region.

## Blood Donation Camp 2022 (REPORT)

Blood is one of the most essential fluids of our body that helps in the smooth functioning of our body. Blood donation refers to a practice where people donate their blood to people so it helps them with their health problems. A blood donation occurs when a person voluntarily has blood drawn and used for transfusions and/or made into biopharmaceutical medications by a process called fractionation. Blood donation is literally life-saving which helps people. It is also a sign of humanity that unites people irrespective of caste, creed, religion and more. In a country like India established supplies are limited and keeping this need in mind a blood donation camp was organized by NSS unit of Hooghly Engineering Collage in association with Students Health Home on 20<sup>th</sup> April, 2022 in the college seminar room. 111 (one hundred eleven) students donated blood in the camp.

## COVID-19 AWARENESS PROGRAMME (26.01.2022)

HOOGLY ENGINEERING AND TECHNOLOGY COLLEGE  
VIVEKANANDA ROAD, PIPULPATI  
P.O. & DIST. HOOGHLY  
PIN: 712103

25.01.2022

### NOTICE

On the occasion of 73<sup>rd</sup> Republic Day there will be a Flag Hoisting Ceremony in the campus of the Hooghly Engineering & Technology College at 9.00 am. on 26<sup>th</sup> January, 2022. It will be followed by a COVID-19 Awareness Programme, organized by the NSS Unit of the college for the benefit of the local people.

The members of the faculty, staff and students are cordially invited to come to college at 8.30 am on that day to attend the programmes and celebrate the occasion in a befitting manner.

# Hooghly Engineering & Technology College

Vivekananda Road, Pipulpati, Hooghly – 712103

**Event Name:** 73<sup>rd</sup> Republic Day (Flag Hoisting and Covid awareness program)

**Date:** 26.01.2022

**Time:** 08:00 am – 11:15 am

**Total Attendee:** 72 [Staff: 49; Students: 23]

**Teacher Coordinator:** Mr. Swarup Samanta and Mr. Saurav Chowdhury

## About the event:

On 26 January 1950, the constitution of India came into force, and our country, India became a republic. 26<sup>th</sup> January 2022 was observed as the 73<sup>rd</sup> Republic Day of India. To celebrate the same, a small program was organized on our college campus on 26<sup>th</sup> January 2022 under the banner of Azadi ka Amrit Mahotsav. Like every year, this year, also the students and faculty members of our Hooghly Engineering and Technology College had organized a grand program on the occasion of this 73<sup>rd</sup> Republic Day. Everyone was feeling very happy that day because it was a matter of great pride for all of us. The program started with flag hoisting at 8:30 am as usual. Dr. Smitadhi Ganguly, Principal-in-Charge, HETC hoisted the national flag and gave a motivational speech on the topic "Republic Day and the present Covid situation". This was followed by some speeches on patriotism and singing the national anthem. Some students also performed patriotic recitation/singing and different types of performances. After the performances, NSS volunteers went to the local area to distribute masks to the common people to raise covid awareness. In the end, the program was concluded by distributing sweet boxes to all the students.

## Real-Time River Water Level Monitoring System~

The Hooghly District Administration had assigned to Hooghly Engineering & Technology College a project to develop a device which would sense the water level of rivers and send that data to the concerned authorities. The deadline was 30.06.22. The college did the project successfully and showed it to the ADM (Development) and SDO to their satisfaction on 25.06.22. The work is meant to be implemented in areas susceptible to floods so that the people who are living in the flood inclined areas must be benefitted.

We would sincerely like to thank Mr. Ayan Bag, a student in the 4th Year from the Department of Electronics and Communications Engineering, for his outstanding contribution to this project. HETC also acknowledges the contribution of all the members associated with realising this 'Real Time' and 'IoT' based project.

## অভিনব আবিষ্কার করে নজির চন্দননগরের তরুণের বন্যা আসছে? আভাস দেবে জল মাপার যন্ত্র

নিজস্ব সংবাদসূত্র, হুগলি: কি বছর অতিবৃষ্টিতে প্রবল ক্ষতিগ্রস্ত হয় হুগলির আরামবাগ, গোঘাট, নানাকুলের মতো নিচু এলাকা। দামোদর, ব্রহ্মপুত্রায়ণ, মুগুৎসরী নদীর দু'কূল ছাপিয়ে বন্যা পরিস্থিতি তৈরি হয় গোটা এলাকায়। কিন্তু, এমন কোনও যন্ত্র যদি থাকত যাতে বন্যা হওয়ার আগেই বিপজ্জনক নদীগুলির জলতরের উচ্চতা মাপা সম্ভব হত? তাহলে আগেভাগেই বিপদসীমার উপর দিয়ে জল হওয়ার আগে নদীতীরবর্তী এলাকার মানুষকে নিরাপদ জায়গায় পৌঁছানো সহজ হত। অনেকটাই এড়ানো যেত প্রাণহানি, ক্ষয়ক্ষতি। এবার এমনই এক যন্ত্র আবিষ্কার করে ডাক লাগিয়ে দিয়েছেন হুগলি ইঞ্জিনিয়ারিং অ্যান্ড টেকনোলজিক্যাল কলেজের ছাত্র অয়ন বাগ। এর মাধ্যমে বন্যা হওয়ার

আগেই বিপজ্জনক নদীগুলির জলের উচ্চতা মাপা যাবে এবং বন্যাগ্রন্থন এলাকার মানুষকে অগম্য সতর্ক করা সম্ভব হবে। চন্দননগরের বাসিন্দা অয়নের এই কীর্তিতে গর্বিত গোটা ইঞ্জিনিয়ারিং কলেজের ছাত্র-ছাত্রী থেকে শুরু করে শিক্ষক সবাই। গর্বিত তাঁর পাড়া-প্রতিবেশীরাও।

হুগলির ইঞ্জিনিয়ারিং কলেজের ইলেকট্রিক্যাল কমিউনিকেশন ইঞ্জিনিয়ারিং বিভাগের ছাত্র অয়ন তাঁর আবিষ্কৃত যন্ত্রের নাম দিয়েছেন 'ড্রাগ মনিটরিং সিস্টেম'। কীভাবে কাজ করবে এই যন্ত্র? অয়ন জানান, একটি পাইপের মধ্যে যন্ত্রটি ইনস্টল করে প্রতি ১৫ কিলোমিটার অন্তর জলের মধ্যে বসিয়ে দেওয়া হবে। পাইপটি জলের মধ্যে থাকলেও যন্ত্রটি জলের কিছুটা উপরে থাকবে। আর এই যন্ত্রের

অয়ন বাগ

সঙ্গে প্রশাসনিক দফতরের সার্ভারের যোগ থাকবে। সার্ভার রুম থেকে আধিকারিকরা সরাসরি কোন নদীর জল বিপদসীমার উপর দিয়ে বইছে, কোথায় বন্যা আসে, তা অনুধাবন

করতে পারবেন। সেক্ষেত্রে নদীর তীরবর্তী অঞ্চলগুলিতে এবং বাঁধের উপর বসবাসকারী মানুষকে দ্রুত নিরাপদ স্থানে সরিয়ে নিয়ে যাওয়ার জন্য হাতে অনেকটা সময় পাাবে স্থানীয় প্রশাসন।

প্রসঙ্গত, প্রতিবছরই বর্ষাকালে হুগলির নানাকুল, গোঘাট ও আরামবাগ প্রাণিত হত। বিশেষ করে ডিভিসি ও পঞ্চায়ত জনাধার থেকে যখন লাক লাক কিউসেক জল ছাড়া হয় তখন বন্যা পরিস্থিতি ভয়াবহ আকার ধারণ করে। এই সকল ক্ষেত্রে যন্ত্রটিকে কাজে লাগানো গেলে অনেকক্ষেত্রেই বন্যা নিয়ন্ত্রণ সম্ভব হবে বলে মনে করছে স্থানীয় প্রশাসন। ইতিমধ্যেই যন্ত্রটিকে বন্যা নিয়ন্ত্রণে কাজে লাগানো যায় কি না, সেবিষয়ে সিদ্ধান্তকনা শুরু করেছে হুগলি জেলা প্রশাসন।

## TECHete 2K21 NOTICE

31.08.2021

We are glad to inform you all that our college is going to organize the Annual Technical Fest **TECHete2k21** on 15-16 September, 2021. The festival will be conducted virtually this time. All are requested to extend their support and cooperation towards making this event successful.

The Registration for the event will start on and from 3<sup>rd</sup> September and will remain open up to 10<sup>th</sup> September. The registration link will be available on the college website.

### Registration Guidelines:

The participants will have to register themselves **online** between 3<sup>rd</sup> September and 10<sup>th</sup> September by paying the registration fee of Rs. 50/- to the account number with the following details:

A/C holder's Name	Hooghly Engineering & Technology College
A/C Number	50339432106
Bank Name	Allahabad Bank
IFSC Code	IDIB000C593
Branch	Chinsurah

The transaction id (screen shot/downloaded receipt) of the payment is to be uploaded as an attachment to the Google form for registration which will be available on our website ([www.hetc.ac.in](http://www.hetc.ac.in)) as mentioned above. To complete the registration process, all participants will have to upload their present College Identity Card on the said form. For more details log on to <http://hetc.ac.in/techete2k21>

## TECH Fest 2021 (15-16 September 2021)

Technical fest always provides a wonderful opportunity to develop and showcase the technical prowess of the students. HETC conceptualized a state level annual technical fest named as "TECHetc" which bring along a plethora of various exciting technical, gaming & creative events. In general, the event is conducted on HETC campus but due to pandemic, the 7th edition of the "TECHetc" was conducted in virtual manner in a completely different way. TECHetc 2k21 was held on 15-16th September, 2021 where 228 students from different colleges and 186 students from different schools participated in a total of 13 events for college students and 2 events for school students. TECHetc always dreams of thinking "one step ahead". Since the event was conducted virtually, it was necessary to change a few events from the last year and new concepts were also blended. Some of the interesting events of this year were "HUNT FOR FUN", "MATH MANIA", and TECHNICAL CROSSWORD. People those who opted for more specialization and hardcore technical events got their genres in "CODE-2-DUO", "CODE-RESTYLE", "CIRCUITECH", Civil-O-Pedia",  $\mu$ -MAT", "INSTANT CIRCUIT", "insta-PLAN" and other technical events. Most attractive events were obviously the gaming events like online "CHESS" and "8 BALL- POOL". As of last year, this year also there was a responsive participation by the school students in their respective events. Since the event was conducted virtually, it was not possible for the committee to conduct some of the popular and interesting events like, "MODEL DISPLAY", "SUBWAY SURFER" "BRIDGE THE GAP" "ROBOZIGGER" and creative events like "ART CARNIVAL & DIGITAL PAINTING". It is obviously a best platform to those scholastic 'techy' brains to get an essence of these technical events. The "backbone" behind the fest comprised of the Faculty and Staff members and also the 50 Student Volunteers, who were entrusted with the responsibility of conducting, planning and organizing the entire fest worked as team for the smooth sailing of the entire programme.

## NOTICE

This is to inform all concerned that a devastating Cyclone Yaas landfellt on 26.05.2021 in West Bengal. Hooghly Engineering & Technology College is going to organize a relief camp on 21<sup>st</sup> June 2021 in collaboration with Paschimbanga Vigyan Mancha, at Sundarban, North 24 pargonas, West Bengal. All are requested to join with us in this humanitarian initiative to provide assistance and contribute to rebuilding lives.

## REPORT

On May 26, 2021, Cyclone Yaas wreaked havoc in West Bengal, leaving a trail of destruction in its wake. The cyclone, with its powerful winds and heavy rainfall, resulted in widespread flooding, uprooted trees, and damaged infrastructure, particularly in the Sundarbans, North 24 Parganas, West Bengal regions.

In response to the humanitarian crisis, Hooghly Engineering & Technology College took proactive measures by organizing a relief camp on June 21, 2021. Teaming up with Paschimbanga Vigyan Mancha, the college aimed to provide aid to the affected communities in Sundarbans, North 24 Parganas, and other severely impacted areas.

The relief camp served as a crucial lifeline for the affected residents, offering essentials such as food, clean water, medical assistance, and shelter. The collaborative efforts of Hooghly Engineering & Technology College and Paschimbanga Vigyan Mancha exemplified the spirit of community resilience and solidarity in the face of adversity.

The outreach initiatives not only alleviated immediate suffering but also symbolized a united front against the challenges posed by natural disasters. Through their joint efforts, the relief camp became a beacon of hope, showcasing the strength of collective action in times of crisis.

In the aftermath of Cyclone Yaas, the relief camp stands as a testament to the power of collaboration and compassion, reflecting the commitment of these organizations to rebuilding and supporting the affected communities in West Bengal.

## REPORT: Celestial Spectacle: Jupiter-Saturn Conjunction Awareness Camp

On the evening of December 21, 2020, the night sky graced us with a rare celestial event – the close proximity of Jupiter and Saturn. To celebrate this extraordinary occurrence, an awareness camp was organized by Paschimbanga Vigyan Mancha in collaboration with Hooghly Engineering & Technology College. The event aimed to educate and awe the audience with the marvels of the cosmos.

Starting at 4:30 PM, the camp featured prominent speakers, including Dr. Mridul Bose from Jadavpur University, Sekh Anshar, and Amit Halder from Paschimbanga Vigyan Mancha. They shared insights into the astronomical significance of the Jupiter-Saturn conjunction, captivating the audience with the wonders of the universe.

To enhance the experience, telescopes were set up, allowing attendees to witness this celestial rendezvous up close. People from various backgrounds and age groups gathered to be part of this unique event by maintaining COVID-19 Protocol. Enthusiastic participants, ranging from students to astronomy enthusiasts, marveled at the celestial alignment, deepening their appreciation for the cosmos.

The event not only fostered scientific curiosity but also highlighted the collaborative spirit between Paschimbanga Vigyan Mancha and Hooghly Engineering & Technology College in promoting science and astronomy within the community.

Chuchura, Hooghly

Sub: Serological survey for Covid 19 in and around  
Hooghly Chinsurah Municipality and adjacent Panchayats.

Sir,

Ours is a people's science organization engaged in popularising science and developing scientific temper, since its establishment in 1986, among different sections of our society through activities related to environment, education, health, agriculture, superstition, technology transfer etc. in the present fight to combat Covid pandemics we are trying to stand by the people through various activities - distribution of masks, sanitiser, foods, sanitiser spray etc.

Covid outbreak in the areas Hooghly- Chinsurah Municipality, Bandel-Mogra Panchayat Samity and Bansberia Municipality have reached alarming proportions. Residents are in great trouble and panicked.

Bandel - Mogra Vigyan Kendra, a unit of Paschimbanga Vigyan Mancha, is going to organise a camp, in collaboration with Hooghly Engineering and Technology College(HETC), on the 16th August, 2020 at HETC campus during 11am to 3 pm. Covid19IgG (Antibody) test will be conducted by the personnel of Thyrocare laboratory. This is not a test to determine whether a person is Corona positive or negative. This test will help detect whether a person has developed immunity power through the formation of antibody.

This is for your kind information and necessary action. All sorts of cooperation from your end is earnestly solicited. With regards,

Serampore, Hooghly  
17.08.2020

## REPORT ON COVID-19 ANTIBODY TEST 19.08.2020

On August 19, 2020, from 11 am to 3 pm, Paschimbanga Vigyan Mancha, in collaboration with Hooghly Engineering & Technology College, organized a crucial COVID-19 antibody testing event. The initiative aimed to assess whether individuals had developed immunity against the virus through the formation of antibodies. The testing, conducted by Thyrocare Laboratory, played a pivotal role in understanding the community's immune response to COVID-19.

The event offered a valuable opportunity for individuals to voluntarily participate in the antibody test, contributing to the broader understanding of the prevalence and immunity status within the community. The Thyrocare Laboratory, known for its expertise in diagnostic services, ensured the accuracy and reliability of the results.

By facilitating this antibody test, Paschimbanga Vigyan Mancha and Hooghly Engineering & Technology College demonstrated their commitment to public health and awareness during the ongoing pandemic. The initiative not only provided individuals with insights into their immune status but also contributed to the larger pool of data crucial for public health planning.

In a time marked by uncertainty, such initiatives empower individuals with knowledge about their immune response, fostering a sense of informed decision-making and community responsibility. The collaborative effort showcased the organizations' dedication to supporting the well-being of the community and navigating the challenges posed by the COVID-19 pandemic.

ব্যাঙেল-মগরা বিজ্ঞান কেন্দ্রের

## আবেদন

দ্বিতীয় পর্যায়ে কোভিড আক্রান্ত মানুষের সংখ্যা দ্রুত বাড়ছে। দেশে প্রতিদিন প্রায় তিন লক্ষ মানুষ সংক্রমিত হচ্ছেন। হাসপাতালগুলিতে জায়গা নেই। অক্সিজেন ও ওষুধের অভাব প্রকট। ভাইরাসের রূপান্তর পরিস্থিতিকে আরও জটিল করেছে। পুরনো উপসর্গের সাথে যুক্ত হয়েছে নতুন উপসর্গ (অসম্ভব দুর্বলতা, গাঁটের ব্যথা, পেট ব্যথা ইত্যাদি)। এমতাবস্থায় আবেদন -

### সংক্রমণ রোধে :

সাধারণ কিছু নিয়ম ও বিধি নিষেধ মেনে চললে কোভিড সংক্রমণ রোধ করা যায়।

১। বিশেষজ্ঞ ও চিকিৎসকদের পরামর্শ মতো কোভিড আচরণ বিধি (বাইরে গেলে মাস্ক পরিধান, সাবন জল / স্যানিটাইজার দিয়ে ঘন ঘন হাত পরিষ্কার, দু মিটার শারীরিক দূরত্ব বজায় রাখা, ভীড় এড়িয়ে চলা ইত্যাদি) মেনে চলুন।

২। বাইরে থাকলে নাকে মুখে হাত দেওয়া যাবে না, প্রয়োজনে কনুই / কাঁধ ব্যবহার করতে হবে।

একান্ত প্রয়োজনে হাত পরিষ্কার করে ব্যবহার করতে হবে।

৩। বাজার থেকে এসে ব্যাগ সহ সমস্ত সজ্জি আধ ঘণ্টা খাবার সোডার জলে ভিজিয়ে রেখে ধুয়ে ব্যবহার করা নিরাপদ।

৪। পারতপক্ষে এ সি না চালানোই ভালো। চালালেও সকলের মাস্ক পরা উচিত।

৫। টীকাকরণের সুযোগ থাকলে তা গ্রহণ করা দরকার। গর্ভবতী মায়েদের টীকা নিতে নিষেধ করা হয়। রক্ত তরল রাখার ওষুধ খেলে চিকিৎসকদের পরামর্শ নিয়ে কয়েক দিন ওষুধ বন্ধ রেখে টীকা নেওয়ার পরামর্শ দেওয়া হয়। টীকা নেওয়ার পরেও মাস্ক পরিধান, হাত পরিষ্কার, দূরত্ব বজায় রাখা সংক্রান্ত কোভিড আচরণ বিধি মেনে চলতে হবে (টীকা নেওয়ার পরেও কোভিড সংক্রমণ হতে পারে তবে তা গুরুতর আকার ধারণ করবে না)।

## REPORT

Event Name: Forest week Celebration (Tree Plantation)

Date: 14<sup>th</sup> to 20<sup>th</sup> July 2020

Attendance: 21

The NSS Unit of HETC, in collaboration with Paschim Banga Vigyan Mancha and Bandel Mogra Vigyan Kendra, was celebrated Forest Week from 14th to 20th July 2020 at our HETC campus. This initiative aims to raise awareness about the importance of preserving our forests and biodiversity. The week-long event was included various activities such as tree plantation drives, nature walks, and informative sessions on environmental conservation.

In light of the on-going COVID-19 pandemic, all stakeholders of HETC were earnestly requested to participate in the event while strictly adhering to prescribed safety protocols. The safety and well-being of our community remain our top priority, and we encourage everyone to follow social distancing measures, wear masks, and practice proper hand hygiene during the Forest Week celebrations.

This collaborative effort underscores the commitment of HETC and its partners to environmental sustainability and community engagement. By coming together for this event, we hope to in still a sense of responsibility towards our natural resources and foster a culture of environmental consciousness within the HETC community and beyond. Your active participation was made this initiative a success and contributing to a greener, healthier future.

## REPORT

Cyclone Amphan struck West Bengal with unprecedented force on 20th May 2020, leaving a trail of destruction in its wake. The cyclone, one of the strongest recorded in the Bay of Bengal, caused extensive damage to infrastructure, homes, and agricultural lands. West Bengal, particularly the East Midnapore district, bore the brunt of this natural disaster, with countless families displaced and in dire need of assistance.

In response to this humanitarian crisis, Hooghly Engineering & Technology College took swift action. Recognizing the urgency of the situation, the college collaborated with Paschimbanga Vigyan Mancha to organize a relief camp on 5th June 2020 at Sutahata, East Midnapore. The relief camp aimed to provide essential supplies, shelter, and medical aid to the affected population.

The collaborative effort brought together volunteers, resources, and expertise to address the immediate needs of those affected by Cyclone Amphan. The relief camp served as a beacon of hope, offering not only physical support but also a sense of community and solidarity during a challenging time.

This initiative reflects the college's commitment to social responsibility and its role as a catalyst for positive change in the face of adversity. By actively engaging in relief efforts, Hooghly Engineering & Technology College demonstrated the power of collective action in rebuilding lives and fostering resilience in the aftermath of a devastating natural disaster.

## TECHetc 2K20 NOTICE

15.02.2020

We are happy to inform you all that our college is going to organize the Annual Technical Fest **TECHetc2k20** on 28<sup>th</sup> and 29<sup>th</sup> February, 2020. All are requested to extend their support and cooperation towards making this event successful.

Interested students of HETC are requested to register their names as participants for the said event.

### Registration Guidelines:

1. Students may register themselves **online** from 15<sup>th</sup> February to 25<sup>th</sup> February, 2020 by transferring a fund of Rs. 100/- to the account number with the following details:

A/C holder's Name : Hooghly Engineering & Technology College  
A/C Number : 1421000109110934  
Bank Name : Punjab National Bank  
IFSC Code : PUNB0142100  
Branch : Chinsurah

The transaction ID (screen shot/downloaded receipt) of the payment is to be sent to [techetc@hetc.ac.in](mailto:techetc@hetc.ac.in) as an attachment. **DO NOT FORGET** to mention **Participant name, College Name, Year and Mobile No.** in the mail body. It is mandatory to write "**TECHETC REGISTRATION**" in the subject line of the e-mail.

However, one can also avail the facility of **offline-registration** in the college campus from 18<sup>th</sup> February, 2020 onwards.

2. If somebody is willing to participate in the paid events, they will have to register and pay for the selected events at the time of event registration only. As there will be upper limit of participants for all those events, it will be done on a first come first serve basis.
3. The fees for the selected paid events are given below:-

Sl. No.	Event	Entry fee (Rs.)
1	Subway Surfers	20
2	NFS	50
3	COD	200 per group
4	Bridge the Gap	100 per group
5	Hunt For fun	60 per group
6	8-Ball Pool	20
7	CHESS	20

For more details log on to <http://hetc.ac.in/techetc2k20> or you can ask any of the members of the Techfest Committee.

TECH Fest 2020 (28-29 February 2020)

## REPORT

HETC started a unique initiative 'TECHetc'- an annual state level technical fest in 2015 to promote technical education, a culture of innovation and general awareness about science and technology amongst school students as well as college students from nearby areas as well as other parts of the state. The fest features a variety of competitive events designed to attract students as well as to inspire them to do something different and original. TECHetc2K20 was held on 28-29th February 2020 within the college premises. In this Inter-College Technical Fest, more than 600 students from 42 institutes, including our college, participated. Technical events were organized for the school students too. 18 different competitive events were held during the two days.

## Blood Donation Camp 2019 (REPORT)

On 20th September 2019, Friday, a successful blood donation camp took place at the college seminar room, organized in collaboration with Kothari Medical Centre Blood Bank. The event witnessed a commendable turnout, with 96 students selflessly contributing to the noble cause of blood donation. The camp aimed not only to address the constant need for blood but also to instill a sense of social responsibility among the student community.

Under the supervision of trained medical professionals, the donation process proceeded smoothly, ensuring the safety and well-being of the donors. The collaboration with Kothari Medical Centre Blood Bank proved instrumental in the efficient execution of the camp. This initiative not only contributed to the local blood bank but also fostered a spirit of altruism and community service among the students. The success of the blood donation camp reflects the positive impact that can be achieved through collaborative efforts in promoting health and well-being.

## REPORT

### Thalassaemia Awareness and Detection Camp 2019

Thalassaemia is hereditary haemolytic diseases caused by faulty haemoglobin synthesis, widespread in Mediterranean, African, and Asian countries and sometimes used with a prefix (such as alpha-, beta- or delta-) to indicate the haemoglobin chain affected. It inflicts untold miseries on thousands of victims and their family's worldwide but at the same time may be avoided through detection and precautionary measures if proper awareness and knowledge is present. In India Thalassaemia is a perennial menace further magnified by the lack of awareness about the disease amongst the people. It is a major social and health issue which is not properly highlighted. The government (both in the state and at the centre) specially encourages the acts of spreading Thalassaemia awareness and its detection. Considering this scenario, the college started organizing Thalassaemia Awareness and Detection Camp from 2018 in association with the RanaghatThalassaemia Detection Centre to spread awareness about Thalassaemia in our students as also for its detection. In the year 2019 the camp was held on 3<sup>rd</sup> September, Tuesday and Dr. Rabindranath Halder from RanaghatThalassaemia Detection Centre conducted the awareness programme on Thalassaemia and its prevention. 211 students participated in the awareness camp and 150 students (including 122 B.Tech students and 28 SSDP students) gave blood for the purpose of Thalassaemia detection.

## TO WHOM IT MAY CONCERN

This is to certify that, the Ranaghat Thalassaemia Detection Centre run by NHCCT, had organised an awareness generation camp about Thalassaemia and Blood Sample Collection camp for thalassaemia screening test on 03.09.2019 at Hooghly Engineering & Technology College with their full cooperation and support. We had collected 167 blood sample for screening test and testing reports were handed over to them in due time. The certificate is issued by using our office records.

We wish every success of the institution.

## Beyond the campus Tree Plantation Program Report

On August 21, 2019, the Induction Committee of Hooghly Engineering & Technology College organized a tree plantation drive as part of our green initiative at the end of Induction Program. The event took place both inside the campus and in the neighbouring area of Goaltuli, Hooghly. Around 70 enthusiastic 1<sup>st</sup> year students participated in the program, showcasing their commitment to environmental sustainability. Some faculties and other staff members were present during the event. The activity not only aimed to enhance the greenery of the region but also to raise awareness about the importance of trees in our ecosystem. The event was a significant step towards promoting eco-friendly practices among the students and the local community.

## Principal's Column Induction Programme 2019 for Freshers

*HETC Chronicle*, the Half-yearly e-newsletter of Hooghly Engineering &

Technology College, is all set to be published for the December 2019 issue. It brings me pleasure to mention that the entire Odd Semester of 2019-20 (July to December 2019) has been an eventful period for the college. The newly introduced Induction Programme for the fresh entrants, that came into existence since last academic session, went off quite satisfactorily with varied and relevant contents for the new aspirants.

*HETC Chronicle*, with its aims and objectives, had been an attractive publication of HETC in the past years and the present issue is going to be of no exception to that.

It also gives me pleasure to mention that the present facilities of this college are being utilized for conduction of different vocational skill development programmes, sanctioned by either West Bengal Government or Govt. of India to facilitate young citizens in the vicinity as well as from distant places of the state and country.

I congratulate the entire team of "HETC Chronicle" for a timely and quality publication of the newsletter for the period from July to December 2019 which would definitely inspire us all to strive for a still better work in the future.

Dr. Sumanta Bhattacharyya  
Principal, HETC

The mandatory 3-week Induction Programme was held for the newly admitted 1<sup>st</sup> year students during 1<sup>st</sup> to 21<sup>st</sup> August, 2019 to acclimatize them to the environment of their engineering institution.

### Highlights

The Orientation Programme for newly admitted 1<sup>st</sup> Year students was held on 1<sup>st</sup> August, 2019.

Self-Defense training was held during 2<sup>nd</sup> to 16<sup>th</sup> August, 2019.

Paschimbanga Vigyan Mancha organized a Science Awareness Camp on 3<sup>rd</sup> August, 2019.

Mr. Chandan Clement Singh, a Nature Activist, delivered a speech on 6<sup>th</sup> August, 2019.

A workshop on Universal Human Values was held during 7<sup>th</sup> to 10<sup>th</sup> August, 2019.

A workshop on "Locating Human in Every Gender and Religion" was held on 8<sup>th</sup> August, 2019.

A Tree Plantation programme was organized on 21<sup>st</sup> August, 2019 in the college campus and beyond to spread awareness about our environment.

## TECHetc 2K19 NOTICE

13.02.2019

We are happy to inform you all that our college is going to organize the annual technical fest **TECHetc2k19** on 22- 23 February, 2019. All are requested to extend their support and cooperation towards making this event successful.

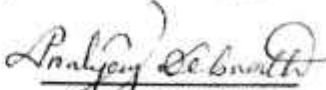

Interested students of HETC are requested to register their names as participants for the said event.

### Registration Guidelines:

- i. Registration process will start from 15.02.2019. Last date for in-house registration is 21.02.2019.
- ii. Registration fee for each participant is Rs. 100/-. However, separate entry fee is applicable for selected events only.
- iii. If somebody is willing to participate in the paid events then they will have to register and pay for the selected events at the time of registration only. As there will be upper limit of participants for all those events, it will be done on a first come first serve basis.
- iv. Registration will be done in the Admission Cell.
- v. The fees for the selected events are given below:-

Sl. No.	Event	Entry fee (Rs.)
1	Instant cricket	20
2	NFS	50
3	PUBG	200 per group
4	Bridge the Gap	100 per group
5	Hunt For fun	60 per group

For more details log on to <http://hetc.ac.in/techetc2k19> or you can ask any of the members of the Techfest committee.

## NOTE SHEET

In the light of recent digital marketing across the globe, the video-post relating to actor Sabyasachi Chakraborty's message about TECHete 2K19, on our official Facebook page may be 'boosted' by means of 'paid promotion' in order to draw more attention of the participants which will in turn create interest amongst the general public as well.

Details of the proposed 'paid promotion' are given below:

SL.	DURATION	ESTIMATED REACH OUT PER DAY	PER DAY EXPENDITURE	TOTAL EXPENDITURE
1.	10 Days	872 - 4,548 People Per Day	Rs. 660/-	Rs. 6,600/-

(Supporting document attached herewith)

I, humbly request the concerned authority to see to this and grant necessary approval at the earliest.

Principal

Accounts Section

**Hooghly Engineering & Technology College**  
**NOTE SHEET**

The details of the estimated Budget of the Annual Technical festival TECHetc 2k19 is given below:

1. Decorators-	7000/-
2. Printing Cost-	10000/-
3. Tiffin for Participants-	15000/-
4. Event preparing materials-	22000/-
5. Light and Sound	6000/-
6. Volunteer Tiffin	9000/-
7. Prize Money	67500/-
8. Decoration-	6000/-
9. Flex Printing-	3000/-
10. Other Expenditures-	5000/-
<b>Total-</b>	<b>1,50,500/-</b>

It is expected that the income from the registration of the students will be nearly 60,500/-. Thus the actual expenditure from the College will be nearly 90,000/-.

I humbly request the concerned authority to see to this and grant necessary approval at the earliest.

**TECH Fest 2019 (22-23 February 2019)**

## REPORT

Technical fest always provides a wonderful opportunity to develop and showcase the technical prowess of the students. HETC conceptualized a state level annual technical fest named as "TECHetc" which bring along a plethora of various exciting technical, gaming & creative events. **TECHetc 2k19 was held on 22-23<sup>rd</sup> February, 2019 where 257 students from different colleges and 186 students from different schools participated in a total of 13 events for college students and 2 events for school students. TECHetc always dreams of thinking "one step ahead".** Some of the interesting events of this year were "HUNT FOR FUN", "MATH MANIA", and TECHNICAL CROSSWORD. People those who opted for more specialization and hard-core technical events got their genres in "CODE-2-DUO", "CODE-RESTYLE", "CIRCUITTECH", Civil-O-Pedia",  $\mu$ -MAT", "INSTANT CIRCUIT", "insta-PLAN" and other technical events. Most attractive events were obviously the gaming events like online "CHESS" and "8 BALL- POOL". And also was conducted some of the popular and interesting events like, "MODEL DISPLAY", "SUBWAY SURFER" "BRIDGE THE GAP" "ROBOZIGGER" and creative events like "ART CARNIVAL & DIGITAL PAINTING". As of last year, this year also there was a responsive participation by the school students in their respective events. It is obviously a best platform to those scholastic 'techy' brains to get an essence of these technical events. The "backbone" behind the fest comprised of the Faculty and Staff members and also the 60 Student Volunteers, who were entrusted with the responsibility of conducting, planning and organizing the entire fest worked as team for the smooth sailing of the entire programme.

## Thalassaemia Awareness and Detection Camp Report

Thalassaemia is hereditary haemolytic diseases caused by faulty hemoglobin synthesis, widespread in Mediterranean, African, and Asian countries and sometimes used with a prefix (such as alpha-, beta- or delta-) to indicate the hemoglobin chain affected. It inflicts untold miseries on thousands of victims and their family's worldwide but at the same time may be avoided through detection and precautionary measures if proper awareness and knowledge is present. In India Thalassaemia is a perennial menace further magnified by the lack of awareness about the disease amongst the people. It is a major social and health issue which is not properly highlighted. The government (both in the state and at the centre) specially encourages the acts of spreading Thalassaemia awareness and its detection. Considering this scenario the college started organizing Thalassaemia Awareness and Detection Camp from 2018 in association with the RanaghatThalassaemia Detection Centre to spread awareness about Thalassaemia in our students as also for its detection. The camp was held on 4<sup>th</sup> October, 2018 Thursday in presence of Dr. Rabindranath Halder from RanaghatThalassaemia Detection Centre who also delivered a lecture on Thalassaemia and its prevention. A total of 138 students and staff members participated in the awareness camp.

## REPORT: VISIT TO MAA MISSION ASHRAM

Hooghly Engineering and Technology College got involved with social working for the very first time under the guidance of NSS and in collaboration with Paschimbanga Bigyan Mancha (Bandel branch). A very handful of students were involved in it and we paid a visit to a missionary organization called “Maa Mission”.

On 6th March 2020, we set off from our college with our teachers and our respected Principal Sir, Prof. Sumanta Bhattacharyya. The mission was situated near Hooghly station which was not far away from the college. As we reached there, a few people were waiting for us and they welcomed us heartily. We saw some small children playing around. We also met the proprietor, Mr. Kartik Banik whose only dream was to look after these children, educate them and teach them the meaning of life. We had some conversation with him where he inspired us by saying that he was once an active political worker in his college life but he gave up on every dream of his life as his only motto was to look after these children. Soon, we met those happy faces for which we were all excited. Those kids were very friendly and helpful. We played with them and distributed some gifts which we carried with us. They were all full of joy. We also clicked pictures with them. They were free enough to share their problems with us – they were mainly lacking a bit of guidance in their studies as they didn't have any private tutor. We promised to visit them from time to time and help them out as much as possible.

That day, we returned with our minds full of happiness as the people and children of the mission shared their positivity with us. We are very thankful and much honoured to our college authorities for providing us with this opportunity. We look forward to join in these types of ventures more often.
