# Perspective Plan

# HOOGLHY ENGINEERING & TECHNOLOGY COLLEGE

Vivekananda Road, Pipulpati, Hooghly, West Bengal – 712103

## Perspective Plan 2022-23 to 2027-28

As per the organizational hierarchy of the institution, the Principal, who is also the ex-officio Secretary of the Governing Body (GB), along with the IQAC Coordinator and the Departmental Heads, steer all academic activities of the college. Regular meetings are conducted to take necessary measures for formulating, modifying and implementing the Perspective Plan of the institution. The Principal invites suggestions from the Governing Body, the IQAC, and other senior faculty members of the institute to take the necessary steps for further improvement.

The Perspective Plan has been created with two distinct time periods in mind. Short-term Perspective Plans are those that are scheduled for implementation in the near future, while long-term Perspective Plans are those that are scheduled for implementation in the next several years. These plans have all been formed to ensure that they align with the vision and mission of the institute.

The institute's short and long-term Perspective Plans are provided below:

### Short Term Perspective Plans

The institute has established a short-term plan that will be put into action soon and benefit all parties involved while also assisting the institute in moving forward.

- **To get NAAC accreditation for the college by 2025:** The institute will formally apply to the NAAC by submitting the IQA as soon as possible and then follow subsequent steps. The Self-Study Report (SSR) will be prepared under the guidance of the Coordinator, IQAC and the Principal.
- **To enhance Teaching and Learning environment in the institute:** To augment the learner-centric facilities, the institute intends to develop smart classrooms equipped with cutting edge technology. The institute's main goal is to improve teaching and learning processes by expanding the availability of interactive tools. Enhancing the online teaching and learning resources will be another priority for the institute.
- **To enhance the quality of research publications:** The institute places a strong emphasis on teachers and students submitting research papers in reputed journals. The institute intends to offer teachers and students incentives and support for publishing research articles in reputed journals on a national as well as global scale.
- **Faculty development programmes and conferences:** The institute will encourage the faculty members to attend different Faculty development programmes and conferences.
- **To improve the infrastructural facilities in the institute:** The infrastructure of the college will be upgraded in accordance with the recommendations made by the relevant committees depending upon specific requirements of upgradation.
- **To conduct Academic and Administrative Audit periodically:** The institute will continue to undertake its regular academic audits in order to maintain the general standard and keep an eye on its educational offerings.

- **To collect different feedbacks properly and to actions accordingly:** In addition to collecting the student's feedback on performance of faculty members and technical assistants, feedback on academic ambience and facilities will also be collected from the stake holders. After collecting the feedbacks, it will be analysed properly and necessary corrective action will be taken accordingly.
- **To enhance the engagement with industry:** Experts from the industry will be invited by the institute to inspire and enlighten the students and impart useful knowledge. The institute intends to host more events with significantly more industry exposure to achieve this goal. Additionally, the institute intends to encourage students to enroll for various internship programs. By strengthening its connections with the industry, the institute hopes to improve its training and placement services and employability of students.
- **To enhance the engagement with society:** The institute will focus on increasing the extension activities and social engagements through NSS unit of the college.
- **Measures for mental and physical wellbeing:** To focus on the mental and physical wellbeing of the students and the staff, the institute will take possible and necessary measures.
- **To enhance interactions with alumnae:** The institute will take necessary steps so that alumni interaction with present students can be increased through appropriate events on regular basis.

#### Long Term Perspective Plans

The institute has established a long-term plan that will be put into action in coming years and benefit all parties involved while also assisting the institute in moving forward.

- **To get NBA accreditation for at least three engineering departments:** After receiving NAAC accreditation, the institute intends to apply for NBA accreditation for at least three departments in the upcoming years.
- **To open new courses on emerging trends:** The institute will work on a plan to open new courses on emerging trends and act accordingly.
- **To attract research grants for research projects:** In future the institute will focus on attracting research grants from various Government as well as non-Government agencies by submitting research proposals.
- **To apply for patents:** The institute will focus on implementing innovative projects by students and faculty members and subsequently apply for patents for the new innovations.

“Institutional Quality Enhancement through NAAC,”  
spanning 17th to 24th November 2022.**

## A Report on the Faculty Development Programme on “*Institutional Quality Enhancement through NAAC*” organized by the IQAC-HETC

The Internal Quality Assurance Cell of the Hooghly Engineering & Technology College (HETC) organized a 1-week Faculty Development Programme (FDP) in ICT mode on “*Institutional Quality Enhancement through NAAC*” spanning 17th to 24th November 2022. Prof. Subhashree Mukherjee, Professor, Department of English, and former Coordinator, IQAC, Kamla Nehru Mahavidyalaya, Nagpur, was the Resource Person of the FDP. Only Faculty Members of HETC could register for the FDP. In total, 41 Faculty Members of HETC registered for the FDP. The list of participants for the FDP is attached to the report.

In total, there are seven criteria in the NAAC Self-Assessment Report (SSR). The FDP was organized with a focus to sensitize the Faculty Members of HETC concerning the exact needs to qualify in different Criteria and the Standard Operating Procedure (SOP) of all the metrics.

The schedule followed for the FDP is given below.

Date	Day	Criterion	Title	Marks
17-11-2022	Thursday	1	Curricular Aspects	100
		4	Infrastructure and Learning Resources	100
19-11-2022	Saturday	2	Teaching-Learning and Evaluation	350

22-11-2022	Tuesday	3	Research, Innovations, and Extension	110
23-11-2022	Wednesday	5	Student Support and Progression	140
24-11-2022	Thursday	6	Governance, Leadership, and Management	100
		7	Institutional Values and Best Practices	100

All the sessions were held smoothly without any technical difficulty. The participants attended the sessions regularly. Separate attendance has been taken for every session.

As a single Resource Person, conducted the FDP, session-wise feedback was not collected. Instead, after the end of the last session, feedback was collected for the entire FDP. based on the following parameters.

#### A. Presentations of the Resource Person

- [1] Planning and Organization of the programme
- [2] Sequencing of the Topics
- [3] Communication
- [4] Style of Presentation
- [5] Interactions by the Resource Person
- [6] Quality of PowerPoint Presentation

## B. Other Aspects

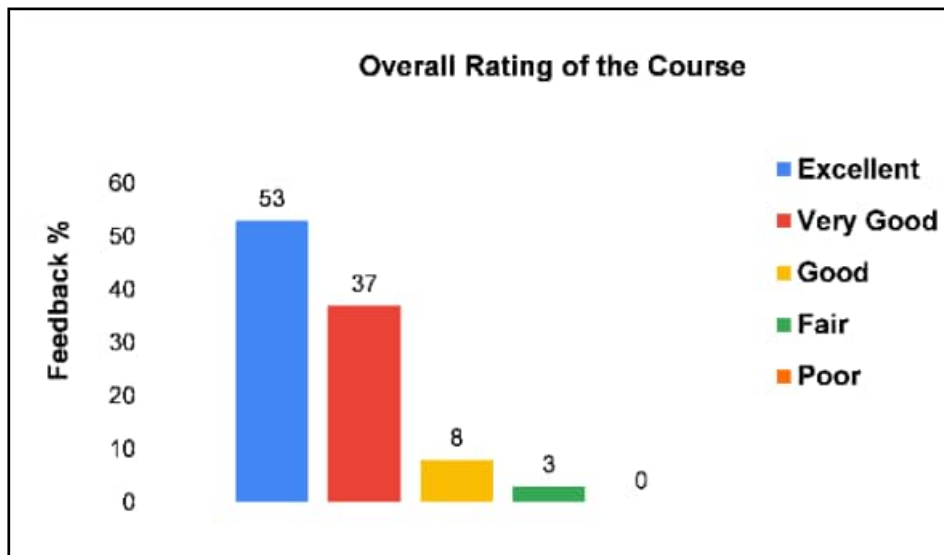

- [1] Relevance of the course
- [2] Adequacy of time for the presentation of topics
- [3] Design of the program

## C. Overall Rating of the Course

Participants of the FDP rendered their feedback in five different rating scales for all the mentioned parameters as given below.

- [1] Poor
- [2] Fair
- [3] Good
- [4] Very Good
- [5] Excellent

Among 41 participants of the FDP, feedback was received via Google Forms from 38 participants. Based on the responses received, the feedback was analyzed. The overall rating of the FDP has received a 53% "Excellent" rating, and 37% "Very Good" rating. Thus, it may be concluded the sessions were engaging and informative.

### 7.1.3 QnM (10)

- Quality audits on environment and energy regularly undertaken by the Institution.
- The institutional environment and energy initiatives are confirmed through the following:-
1. Green audit / Environment audit
  2. Energy audit
  3. Clean and green campus initiatives
  4. Beyond the campus environmental promotion activities

Subject: Collaboration for Social Welfare activities

Dear Sir,

For the holistic development of a future engineer, as a conscious and sympathetic human being, we are trying to engage our students in various social welfare activities outside the college campus. As a part of that effort we are trying to organize small programmes for the benefit of the poor people around our college.

We have come to know that your organization is engaged in different welfare activities.

We, therefore, appeal to you to please collaborate with us in organizing different welfare programmes as outlined above. Hope you will accede to our request.

With regards,

*S.H.L. Ganguly* 01.03.23

Sub: Mosquito net distribution program

Dear Sir,

We are glad to let know that your students are eager to accompany us in organizing some social activities. In view of this, we are going to organize a mosquito net distribution program at Old Hooghly Ghat area on 4<sup>th</sup> March 2023 for underprivileged people of the area to prevent mosquito borne diseases.

So, please send few students volunteers to the said area on 4<sup>th</sup> March, 2023 at 4:00 pm.

We hope in future also your institution will come forward in holding such events.

Thanking You,

Yours Truly,

Abhisek Pal.

# REPORT ON THE EVENT OF DISTRIBUTION OF MOSQUITO NET TO THE UNDER PRIVILEGED.

Organized By NSS UNIT, HETC and Sanjivani Welfare Trust

On Saturday, 4<sup>th</sup> March , 2023 , An event of distributing mosquito nets to the people who have to spend nights on street was organised by the NSS unit of HETC in collaboration with Sanjivani Welfare Trust, for this event over twenty five students of HETC along with the teachers headed towards Hooghly Ghat Station.

The entire team of teachers and students left the college premises at 3:30 pm. They carried over 40pcs of mosquito nets and some refreshments for the under privileged in that area. The team awaited there for about twenty minutes with zeal and enthusiasm to make a small contribution to fulfil the needs of the families who are deprived of the basic necessities of livelihood.

After a while, few ladies gathered and one by one the mosquito nets were distributed by the students of the NSS unit. The entire event was a grand success as there was a smile of relief on their faces as on that very day they could protect their kids and family members from dengue, malaria and other contagious diseases that is spread by flies, mosquitos and other rodents ensuring a proper overnight sleep . The smiles and relief on their faces gave a feeling of satisfaction and real happiness which is possible only when we are able to help the people in need. They all left giving a lot of blessings and gratitude, with this the entire event came to an end and the team left for the college.

Thus, this event was a grand success with constant support of the program officers of the NSS unit and even due to the support of the members and students of the NSS UNIT.

## “Eastern India Science and Engineering Fair 2023”

Srijita Chatterjee, Ankita Seal, and Arkaprava Gangopadhyay, Department of Civil Engineering, 2nd year, Hooghly Engineering & Technology College, secured a Special Prize in the “Eastern India Science and Engineering Fair 2023” from 10 to 13th January 2023 organized by Birla Industrial & Technological Museum (BITM). The name of the project in the exhibition was “Xe-Vision”. The most innovative computer vision-based project “Xe-Vision” introduces a new object detection technique. The “Xe-Vision” is the implementation of Artificial Intelligence in the field of Civil Engineering.

The project may be split up into four parts.

The first one is the “Trained Module” which can detect up to 80 classes of objects. It is well known that Google lens can detect objects, but only 1 object at a time. Whereas “Xe-Vision” can detect up to 80 types of objects at a time without any GPU acceleration or high computation power and also save valuable time.

The second part of the project is a “Developed Trained Module” that can detect the “Honeycomb”. In the field of Civil Engineering, the observations and reviews collected from the site engineers show that the honeycomb is a big issue at the site. Sometimes engineers just overlook this issue or in other cases, many reputed companies don’t have a sufficient quality engineer to look after this matter. “Xe-Vision” is competent enough to take up this issue and increase quality assurance. Any person, or any company, can use “Xe-Vision” just by posting RCC photos of the site, to the server, or on any normal computer to get rid of this issue.

The third one is on “Potholes Detection”. Potholes are common on Indian roads, developed due to lack of monitoring and maintenance, and can cause severe accidents. “Xe-vision” can also solve this problem by using the particular module, “Potholes Detection”. Even Tesla cars can’t detect this till now, but “Xe-vision” can do it easily.

The fourth and last one is on “Exposed Bars”. A common observation is extra extended bars on many structures. Due to the bad condition of the structure or due to further extension of the structure bars are extended, this can cause serious accidents for pedestrians and workers, and also causes corrosion issues. In bridges, walls, slabs, etc. more often than not, this issue is predominant. The trained module of “Xe-vision” can also detect that.

TECHetc 2K23 NOTICE

09.03.2023

We are happy to inform you all that our college is going to organize the Annual technical Fest **TECHetc2k23** on 17- 18 March, 2023. All are requested to extend their support and cooperation towards making this event successful.

Interested students of HETC are requested to register their names as participants for the said event.

#### Registration Guidelines:

1. Students may register themselves **online** from 10<sup>th</sup> March to 15<sup>th</sup> March by transferring a fund of Rs 100/- to the account number with the following details:

A/C holder's Name : Hooghly Engineering & Technology College  
A/C Number : 50339432106  
Bank Name : Indian Bank  
IFSC Code : IDIB000C593  
Branch : Chinsurah Main

The transaction id (screen shot/downloaded receipt) of the payment is to be sent to [techetc@hetc.ac.in](mailto:techetc@hetc.ac.in) as an attachment. **DO NOT FORGET** to mention **Participant name, College Name, Year, Mobile No.** in the mail body. It is mandatory to write "TECHETC REGISTRATION" in the subject line of the e-mail.

However, one can also avail the facility of **offline-registration** in the college campus from 10<sup>th</sup> March onwards.

2. If somebody is willing to participate in the paid events then they will have to register and pay for the selected events at the time of event registration only. As there will be upper limit of participants for all those events, it will be done on a first come first serve basis.

For more details log on to <http://hetc.ac.in/TECHetc2k23> or you can ask any of the members of the Techfest committee.

To  
The Principal Director,

*Subject: Invitation for TECHete 2K23*

Respected Sir/ Madam,

It gives us immense pleasure to inform you that Hooghly Engineering & Technology College (HETC), a premier Engineering Institute in Hooghly, is going to celebrate its Technical Fest – **TECHete 2K23** on 17-18 March 2023.

**TECHete 2K23** is a mega event to be held at the state level, including events like Robozigger, Model Display, Bridge the Gap, Coding, Mathmania, etc.

We will be pleased to have you as a part of **TECHete 2K23**, which would delight us with your appreciation.

We humbly request you to give wide publicity in your institute & motivate the students to participate in this event's maximum activities. The **TECHete 2K23** poster, mentioning the event's highlights, is attached herewith. A detailed account of the event is available on [www.hetc.ac.in/TECHete2k23](http://www.hetc.ac.in/TECHete2k23).

We look forward to your participation in this mega event and making it a grand success.

Yours sincerely,

Dr. Pratyay Debnath  
Convener  
TECHete 2K23 Committee

## Hooghly Engineering & Technology College NOTE SHEET

The details of the estimated expenditure for the Annual Technical festival TECHetC 2k23 is given below:

1. Decorators-	15000/-
2. Printing Cost-	18000/-
3. Tiffin for Participants and Volunteers -	35000/-
4. Event preparing materials-	30000/-
5. Light and Sound	5000/-
6. Prize Money	75000/-
7. Flex Printing-	4000/-
8. Other Expenditures-	10000/-

Total- 1,92,000/-

It is expected that the income from the registration of the students will be nearly 57,000/-. Thus the actual expenditure from the College will be nearly 1,35,000/-.

I humbly request the concerned authority to see to this and grant necessary approval at the earliest.

## TECH Fest 2023 (17-18 March 2023)

### REPORT

Technical fest always provides a wonderful opportunity to develop and showcase the technical prowess of the students. HETC conceptualized a state level annual technical fest named as “TECHetc” which bring along a plethora of various exciting technical, gaming & creative events.

HETC started a unique initiative ‘TECHetc’- an annual state level technical fest in 2015 to promote technical education, a culture of innovation and general awareness about science and technology amongst school students as well as college students from nearby areas as well as other parts of the state. The fest features a variety of competitive events designed to attract students as well as to inspire them to do something different and original. TECHetc2K23 was held on 17-18th March 2023 within the college premises. In this Inter-College Technical Fest, more than 600 students from 45 institutes, including our college, participated. Technical events were organized for the school students too. 18 different competitive events were held during the two days.

TECHetc always dreams of thinking “one step ahead”. Some of the interesting events of this year were “HUNT FOR FUN”, “MATH MANIA”, and TECHNICAL CROSSWORD. People those who opted for more specialization and hard-core technical events got their genres in “CODE-2-DUO”, “CODE-RESTYLE”, “CIRCUITECH”, Civil-O-Pedia”,  $\mu$ -MAT”, “INSTANT CIRCUIT”, “insta-PLAN” and other technical events. Most attractive events were obviously the gaming events like online “CHESS” and “8 BALL- POOL”. And also was conducted some of the popular and interesting events like, “MODEL DISPLAY”, “SUBWAY SURFER” “BRIDGE THE GAP” “ROBOZIGGER” and creative events like “ART CARNIVAL & DIGITAL PAINTING”. As of last year, this year also there was a responsive participation by the school students in their respective events. It is obviously a best platform to those scholastic ‘techy’ brains to get an essence of these technical events. The “backbone” behind the fest comprised of the Faculty and Staff members and also the 60 Student Volunteers, who were entrusted with the responsibility of conducting, planning and organizing the entire fest worked as team for the smooth sailing of the entire programme.

# A Brief Report on Annual School Connect Program School Carnival - 2022

HETC in its 18 years of excellence has first time organizes school connect programme named "School Carnival 2k22". The colorful and memorable whole daylong event was held on 12<sup>th</sup> November 2022 at HETC campus, Hooghly.

At around 10:30 a.m. onwards the event came to live with the inauguration of School Carnival 2k-22 by our honorable President HETCS Dr. T. K. Bandyopadhyay, hon'ble Secretary HETCS Dr. Avijit Maity and Principal-in-Charge HETC Dr. Smitadhi Gangly.

A huge response was received from the participant's corner of Class 6 to Class 12. Around 400 student's was participated in our grand carnival events from Hooghly, Howrah, Burdwan, Kolkata, Bankura, North & South 24 Paraganas districts. The carnival was constituted with the following colorful sub-events:

<b>Sl. No.</b>	<b>Name of the Events</b>
1	Sit & Draw
2	Cricket
3	Quiz
4	Extempore
5	Chess
6	Fun Science
7	Mathmania (Junior & Senior)

19 groups was participated in the event - Cricket, and turned it's a mega event not only that 100+ students participated in the event - Chess.

A lot of enthusiast's teachers, guardians, and many more gathered around from different school to cheer up the students. Local media has captured the grand moments for press release and published on "Bartaman" newspaper dated 15<sup>th</sup> November 2022.

Around 6.30 P.M. the great festive journey ended on a joyous and entertaining prize distribution ceremony with the winners with appreciation certificates and trophy and all the participant has been awarded with participation certificates.

All of us really enjoyed a lot and with a sincere hope that such mega events should be organized every year for giving the scope to school students showcase their talents. The notable appreciations received from the desk of Teachers from various school, Participants & Guardians which making the day memorable for everyone, the memories which would be carried by the every person present at that day in their bottom of the heart.

Last but not the least on behalf of Convener desk I would like to congratulate to the Management, Joint Convener, all the core members, and volunteers of the School Carnival 2022 as well as all the Teaching Non-Teaching staff members of HETC, all the Students & Stakeholder for their whole hearted support for the mega event.

## Blood Donation Camp 2022 (REPORT)

Blood is one of the most essential fluids of our body that helps in the smooth functioning of our body. Blood donation refers to a practice where people donate their blood to people so it helps them with their health problems. A blood donation occurs when a person voluntarily has blood drawn and used for transfusions and/or made into biopharmaceutical medications by a process called fractionation. Blood donation is literally life-saving which helps people. It is also a sign of humanity that unites people irrespective of caste, creed, religion and more. In a country like India established supplies are limited and keeping this need in mind a blood donation camp was organized by NSS unit of Hooghly Engineering Collage in association with Students Health Home on 20<sup>th</sup> April, 2022 in the college seminar room. 111 (one hundred eleven) students donated blood in the camp.

## COVID-19 AWARENESS PROGRAMME (26.01.2022)

HOOGLY ENGINEERING AND TECHNOLOGY COLLEGE  
VIVEKANANDA ROAD, PIPULPATI  
P.O. & DIST.: HOOGLY  
PIN: 712103

25.01.2022

### NOTICE

On the occasion of 73<sup>rd</sup> Republic Day there will be a **Flag Hoisting Ceremony** in the campus of the Hooghly Engineering & Technology College at 9.00 a.m. on 26<sup>th</sup> January, 2022. It will be followed by a **COVID-19 Awareness Programme**, organized by the NSS Unit of the college for the benefit of the local people.

The members of the faculty, staff and students are cordially invited to come to college at 8.30 am on that day to attend the programmes and celebrate the occasion in a befitting manner.

# Hooghly Engineering & Technology College

Vivekananda Road, Pipulpati, Hooghly – 712103

**Event Name:** 73<sup>rd</sup> Republic Day (Flag Hoisting and Covid awareness program)

**Date:** 26.01.2022

**Time:** 08:00 am – 11:15 am

**Total Attendee:** 72 [Staff: 49; Students: 23]

**Teacher Coordinator:** Mr. Swarup Samanta and Mr. Saurav Chowdhury

## About the event:

On 26 January 1950, the constitution of India came into force, and our country, India became a republic. 26<sup>th</sup> January 2022 was observed as the 73<sup>rd</sup> Republic Day of India. To celebrate the same, a small program was organized on our college campus on 26<sup>th</sup> January 2022 under the banner of Azadi ka Amrit Mahotsav. Like every year, this year, also the students and faculty members of our Hooghly Engineering and Technology College had organized a grand program on the occasion of this 73<sup>rd</sup> Republic Day. Everyone was feeling very happy that day because it was a matter of great pride for all of us. The program started with flag hoisting at 8:30 am as usual. Dr. Smitadhi Ganguly, Principal-in-Charge, HETC hoisted the national flag and gave a motivational speech on the topic "Republic Day and the present Covid situation". This was followed by some speeches on patriotism and singing the national anthem. Some students also performed patriotic recitation/singing and different types of performances. After the performances, NSS volunteers went to the local area to distribute masks to the common people to raise covid awareness. In the end, the program was concluded by distributing sweet boxes to all the students.

## Real-Time River Water Level Monitoring System~

The Hooghly District Administration had assigned to Hooghly Engineering & Technology College a project to develop a device which would sense the water level of rivers and send that data to the concerned authorities. The deadline was 30.06.22. The college did the project successfully and showed it to the ADM (Development) and SDO to their satisfaction on 25.06.22. The work is meant to be implemented in areas susceptible to floods so that the people who are living in the flood inclined areas must be benefitted.

We would sincerely like to thank Mr. Ayan Bag, a student in the 4th Year from the Department of Electronics and Communications Engineering, for his outstanding contribution to this project. HETC also acknowledges the contribution of all the members associated with realising this 'Real Time' and 'IoT' based project.

## অভিনব আবিষ্কার করে নজির চন্দননগরের তরুণের বন্যা আসছে? আভাস দেবে জল মাপার যন্ত্র

নিজস্ব সংবাদদাতা, হুগলি: ফি বছর অতিবৃষ্টিতে প্রবল কতিপ্রস্তু হয় হুগলির আরামবাগ, গোঘাট, খানাকুলের মতো নিচু এলাকা। দামোদর, রূপনারায়ণ, মুণ্ডেশ্বরী নদীর দু'কূল ছাপিয়ে বন্যা পরিস্থিতি তৈরি হয় গোটা এলাকার। কিন্তু, এমন কোনও যন্ত্র যদি থাকত যাতে বন্যা হওয়ার আগেই বিপজ্জনক নদীগুলির জলস্তরের উচ্চতা মাপা সম্ভব হত? তাহলে আগেভাগেই বিপদসীমার উপর দিয়ে জল যাওয়ার আগে নদীতীরবর্তী এলাকার মানুষকে নিরাপদ জায়গায় পৌঁছানো সহজ হত। অনেকটাই এড়ানো যেত প্রাণহানি, ক্ষয়ক্ষতি। এবার এমনই এক যন্ত্র আবিষ্কার করে ডাক লাগিয়ে দিয়েছেন হুগলি ইঞ্জিনিয়ারিং অ্যান্ড টেকনোলজিক্যাল কলেজের ছাত্র অয়ন বাগ। এর মাধ্যমে বন্যা হওয়ার

আগেই বিপজ্জনক নদীগুলির জলের উচ্চতা মাপা যাবে এবং বন্যাশ্রবণ এলাকার মানুষকে আগাম সতর্ক করা সম্ভব হবে। চন্দননগরের বাসিন্দা অয়নের এই কীর্তিতে গর্বিত গোটা ইঞ্জিনিয়ারিং কলেজের ছাত্র-ছাত্রী থেকে শুরু করে শিক্ষক সকলেই। গর্বিত তাঁর পাড়া-প্রতিবেশীরাও।

হুগলির ইঞ্জিনিয়ারিং কলেজের ইলেকট্রিক্যাল কমিউনিকেশন ইঞ্জিনিয়ারিং বিভাগের ছাত্র অয়ন তাঁর আবিষ্কৃত যন্ত্রের নাম দিয়েছেন 'ফ্লাড মনিটরিং সিস্টেম'। কীভাবে কাজ করবে এই যন্ত্র? অয়ন জানান, একটি পাইপের মধ্যে যন্ত্রটি ইনস্টল করে প্রতি ১৫ কিলোমিটার অন্তর জলের মধ্যে বসিয়ে দেওয়া হবে। পাইপটি জলের মধ্যে থাকলেও যন্ত্রটি জলের কিছুটা উপরে থাকবে। আর এই যন্ত্রের

অয়ন বাগ

সঙ্গে প্রশাসনিক দফতরের সার্ভারের যোগ থাকবে। সার্ভার রুম থেকে আধিকারিকরা সরাসরি কোন নদীর জল বিপদসীমার উপর দিয়ে বইছে, কোথায় বন্যা আসন্ন, তা অনুধাবন

করতে পারবেন। সেক্ষেত্রে নদীর তীরবর্তী অঞ্চলগুলিতে এবং বাঁধের উপর বসবাসকারী মানুষকে দ্রুত নিরাপদ স্থানে সরিয়ে নিয়ে যাওয়ার জন্য হাতে অনেকটা সময় পাবে স্থানীয় প্রশাসন।

প্রসঙ্গত, প্রত্যেক বছরই বর্ষাকালে হুগলির খানাকুল, গোঘাট ও আরামবাগ প্রাণিত হয়। বিশেষ করে ডিভিসি ও পঞ্চায়ত জলাধার থেকে যখন লক্ষ লক্ষ কিউসেক জল ছাড়া হয় তখন বন্যা পরিস্থিতি ভয়াবহ আকার ধারণ করে। এই সকল ক্ষেত্রে যন্ত্রটিকে কাজে লাগানো গেলে অনেকক্ষেত্রেই বন্যা নিয়ন্ত্রণ সম্ভব হবে বলে মনে করছে স্থানীয় প্রশাসন। ইতিমধ্যেই যন্ত্রটিকে বন্যা নিয়ন্ত্রণে কাজে লাগানো যায় কি না, সেবিষয়ে চিন্তাভাবনা শুরু করেছে হুগলি জেলা প্রশাসন।

Name of the event: "SWACHHTA PAKHWADA"

1. Tree plantation in recyclable containers (112 participants)

2. Clean your neighborhood (66 participants)

Date: 01.12.2021

Organizer: HETC NSS UNIT

**About the event:**

According to the directives of Govt. of India, two events were held on 1<sup>st</sup> December, 2021 under the banner of 'SWACHHTA PAKHWADA – Azadi Ka Amrit Mahotsav'. Even in the pandemic situation, all the NSS volunteers were encouraged to participate in the events keeping the restrictions and rules of Covid in mind and were directed to wear proper masks during the event. 112 students participated in the event 'Tree plantation in recyclable containers' and 66 students participated in the event 'Clean your neighborhood'.

Campus**

**MAKHAUT WITH CLEAN INDIA \* \* \* \* \* COLLABORATION**

स्वच्छ भारत

**28th  
October**

[www.hetc.ac.in](http://www.hetc.ac.in)

The poster features a central circular graphic with a pink border containing the text 'MAKHAUT WITH CLEAN INDIA \* \* \* \* \* COLLABORATION'. Inside this circle is a black circle with the text 'Venue HETC Campus'. To the right, there is a silhouette of a person cleaning with a broom against a red and orange background, with the text 'Clean India' above it. Below this is a green area with a pair of glasses containing the text 'स्वच्छ भारत'. At the bottom, there is a black box with the date '28th October' and the website 'www.hetc.ac.in'. Four logos are displayed at the bottom: the National Service Scheme (NSS) logo, the logo of the Ministry of Education, Government of India, the HETC logo, and the logo of the Department of Technical Education, West Bengal.

## TECHetc 2K21 NOTICE

21.08.2021

We are glad to inform you all that our college is going to organize the Annual Technical Fest **TECHetc2k21** on 15-16 September, 2021. The festival will be conducted virtually this time. All are requested to extend their support and cooperation towards making this event successful.

The Registration for the event will start on and from 3<sup>rd</sup> September and will remain open up to 10<sup>th</sup> September. The registration link will be available on the college website.

### Registration Guidelines:

The participants will have to register themselves online between 3<sup>rd</sup> September and 10<sup>th</sup> September by paying the registration fee of Rs. 50/- to the account number with the following details:

A/C holder's Name	: Hooghly Engineering & Technology College
A/C Number	: 50339432106
Bank Name	: Allahabad Bank
IFSC Code	: IDIB000C593
Branch	: Chinsurah

The transaction id (screen shot/downloaded receipt) of the payment is to be uploaded as an attachment to the Google form for registration which will be available on our website ([www.hetc.ac.in](http://www.hetc.ac.in)) as mentioned above. To complete the registration process, all participants will have to upload their present College Identity Card on the said form. For more details log on to <http://hetc.ac.in/techetc2k21>

## TECH Fest 2021 (15-16 September 2021)

Technical fest always provides a wonderful opportunity to develop and showcase the technical prowess of the students. HETC conceptualized a state level annual technical fest named as "TECHetc" which bring along a plethora of various exciting technical, gaming & creative events. In general, the event is conducted on HETC campus but due to pandemic, the 7th edition of the "TECHetc" was conducted in virtual manner in a completely different way. TECHetc 2k21 was held on 15-16th September, 2021 where 228 students from different colleges and 186 students from different schools participated in a total of 13 events for college students and 2 events for school students. TECHetc always dreams of thinking "one step ahead". Since the event was conducted virtually, it was necessary to change a few events from the last year and new concepts were also blended. Some of the interesting events of this year were "HUNT FOR FUN", "MATH MANIA", and TECHNICAL CROSSWORD. People those who opted for more specialization and hardcore technical events got their genres in "CODE-2-DUO", "CODE-RESTYLE", "CIRCUITECH", Civil-O-Pedia",  $\mu$ -MAT", "INSTANT CIRCUIT", "insta-PLAN" and other technical events. Most attractive events were obviously the gaming events like online "CHESS" and "8 BALL- POOL". As of last year, this year also there was a responsive participation by the school students in their respective events. Since the event was conducted virtually, it was not possible for the committee to conduct some of the popular and interesting events like, "MODEL DISPLAY", "SUBWAY SURFER" "BRIDGE THE GAP" "ROBOZIGGER" and creative events like "ART CARNIVAL & DIGITAL PAINTING". It is obviously a best platform to those scholastic 'techy' brains to get an essence of these technical events. The "backbone" behind the fest comprised of the Faculty and Staff members and also the 50 Student Volunteers, who were entrusted with the responsibility of conducting, planning and organizing the entire fest worked as team for the smooth sailing of the entire programme.

## REPORT

On May 26, 2021, Cyclone Yaas wreaked havoc in West Bengal, leaving a trail of destruction in its wake. The cyclone, with its powerful winds and heavy rainfall, resulted in widespread flooding, uprooted trees, and damaged infrastructure, particularly in the Sundarbans, North 24 Parganas, West Bengal regions.

In response to the humanitarian crisis, Hooghly Engineering & Technology College took proactive measures by organizing a relief camp on June 21, 2021. Teaming up with Paschimbanga Vigyan Mancha, the college aimed to provide aid to the affected communities in Sundarbans, North 24 Parganas, and other severely impacted areas.

The relief camp served as a crucial lifeline for the affected residents, offering essentials such as food, clean water, medical assistance, and shelter. The collaborative efforts of Hooghly Engineering & Technology College and Paschimbanga Vigyan Mancha exemplified the spirit of community resilience and solidarity in the face of adversity.

The outreach initiatives not only alleviated immediate suffering but also symbolized a united front against the challenges posed by natural disasters. Through their joint efforts, the relief camp became a beacon of hope, showcasing the strength of collective action in times of crisis.

In the aftermath of Cyclone Yaas, the relief camp stands as a testament to the power of collaboration and compassion, reflecting the commitment of these organizations to rebuilding and supporting the affected communities in West Bengal.

Date: 18-12-2020

To  
The Secretary  
Hooghly Engineering and Technology College  
Chinsurah, Hooghly

Sir,  
On 21 December 2020, Jupiter and Saturn will appear extremely close to each other in the evening sky. They have been creeping up on each other for a few weeks, and they will get close as 0.1 degree on 21 December. This will be just a fifth of the full moon's size. The last time they were so close was in 1623, and the next close one will be in 60 years.

To have a view of this great conjunction a camp will be organized on that day by Bandel Mogra unit of our organization. Local people will have a glimpse of the conjunction through telescope. I would request you to kindly allow us to organize the camp in your college premises. It would be appreciated if you could extend other infrastructural facilities that will be required for organising the camp.

Regards,  
Yours sincerely,

## REPORT: Celestial Spectacle: Jupiter-Saturn Conjunction Awareness Camp

On the evening of December 21, 2020, the night sky graced us with a rare celestial event – the close proximity of Jupiter and Saturn. To celebrate this extraordinary occurrence, an awareness camp was organized by Paschimbanga Vigyan Mancha in collaboration with Hooghly Engineering & Technology College. The event aimed to educate and awe the audience with the marvels of the cosmos.

Starting at 4:30 PM, the camp featured prominent speakers, including Dr. Mridul Bose from Jadavpur University, Sekh Anshar, and Amit Halder from Paschimbanga Vigyan Mancha. They shared insights into the astronomical significance of the Jupiter-Saturn conjunction, captivating the audience with the wonders of the universe.

To enhance the experience, telescopes were set up, allowing attendees to witness this celestial rendezvous up close. People from various backgrounds and age groups gathered to be part of this unique event by maintaining COVID-19 Protocol. Enthusiastic participants, ranging from students to astronomy enthusiasts, marveled at the celestial alignment, deepening their appreciation for the cosmos.

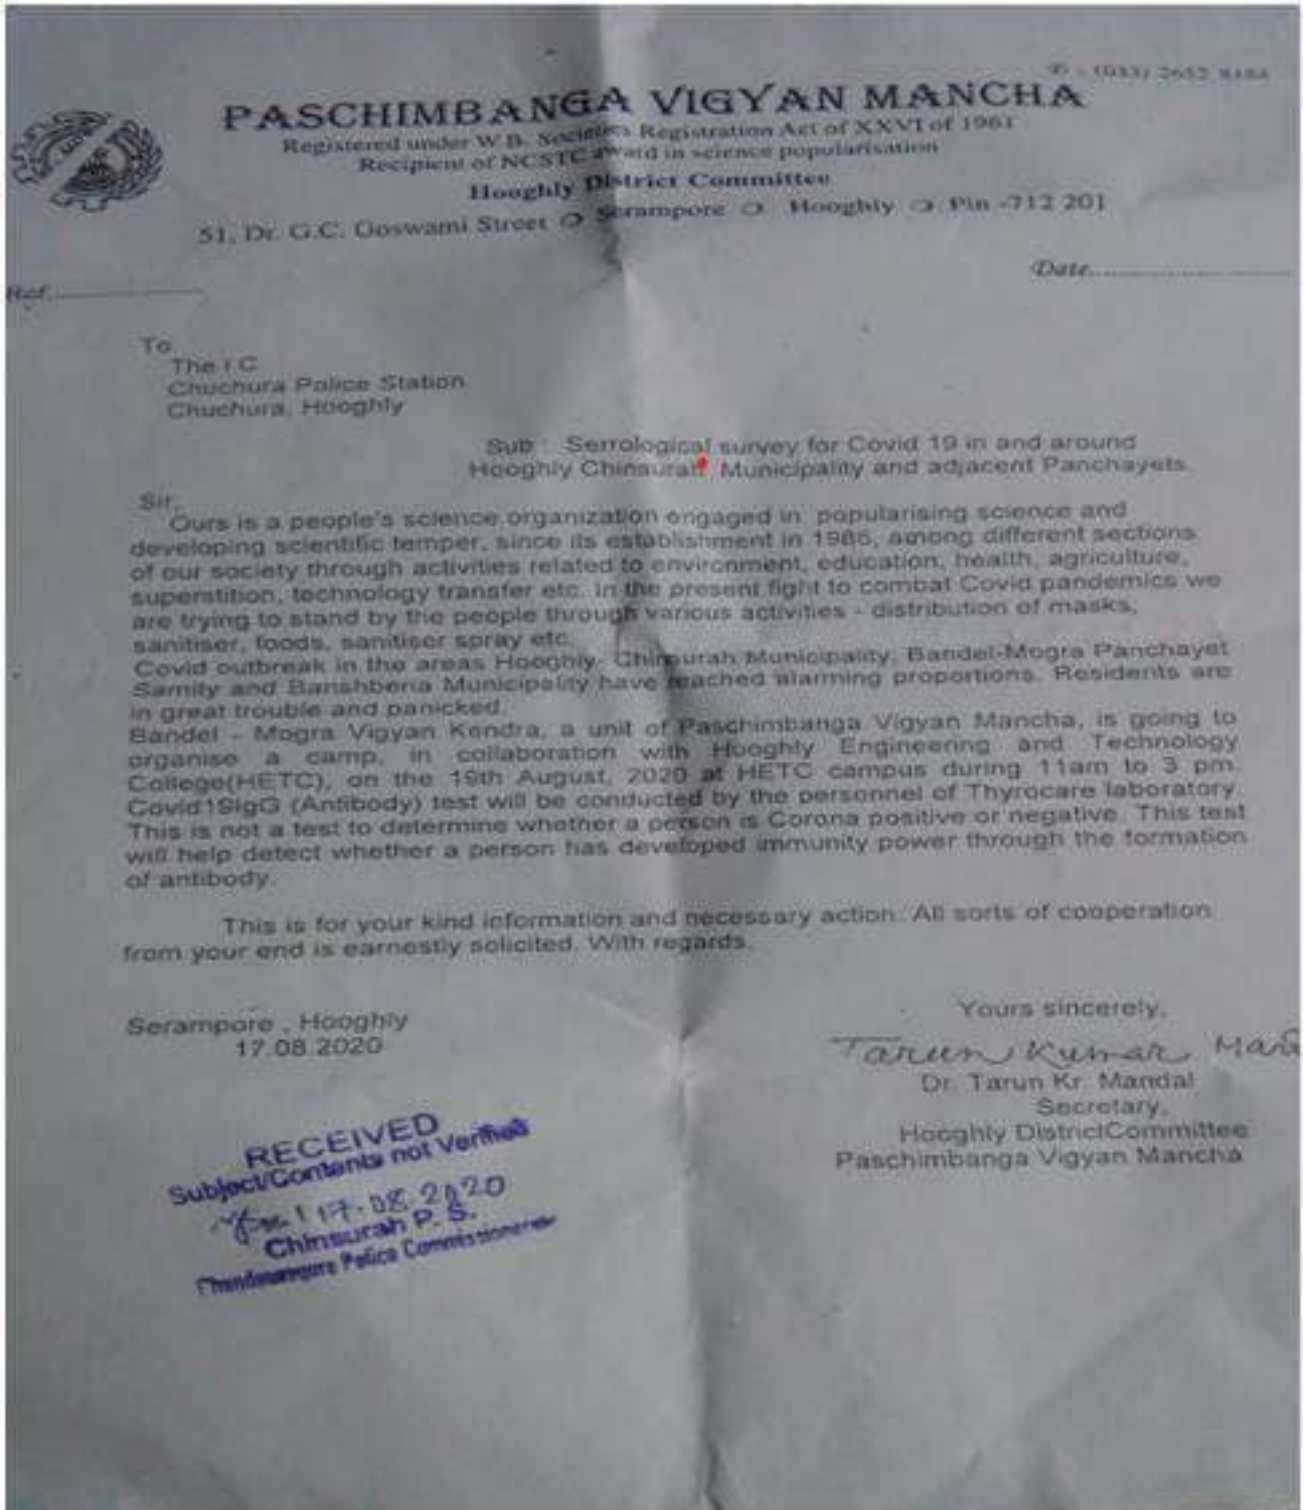

The event not only fostered scientific curiosity but also highlighted the collaborative spirit between Paschimbanga Vigyan Mancha and Hooghly Engineering & Technology College in promoting science and astronomy within the community.

## REPORT ON COVID-19 ANTIBODY TEST 19.08.2020

On August 19, 2020, from 11 am to 3 pm, Paschimbanga Vigyan Mancha, in collaboration with Hooghly Engineering & Technology College, organized a crucial COVID-19 antibody testing event. The initiative aimed to assess whether individuals had developed immunity against the virus through the formation of antibodies. The testing, conducted by Thyrocare Laboratory, played a pivotal role in understanding the community's immune response to COVID-19.

The event offered a valuable opportunity for individuals to voluntarily participate in the antibody test, contributing to the broader understanding of the prevalence and immunity status within the community. The Thyrocare Laboratory, known for its expertise in diagnostic services, ensured the accuracy and reliability of the results.

By facilitating this antibody test, Paschimbanga Vigyan Mancha and Hooghly Engineering & Technology College demonstrated their commitment to public health and awareness during the ongoing pandemic. The initiative not only provided individuals with insights into their immune status but also contributed to the larger pool of data crucial for public health planning.

In a time marked by uncertainty, such initiatives empower individuals with knowledge about their immune response, fostering a sense of informed decision-making and community responsibility. The collaborative effort showcased the organizations' dedication to supporting the well-being of the community and navigating the challenges posed by the COVID-19 pandemic.

## কোভিড অতিমারীর দ্বিতীয় প্রতিঘাত মোকাবিলা

পশ্চিমবঙ্গ বিজ্ঞান মঞ্চ  
ব্যাণ্ডেল-মগরা বিজ্ঞান কেন্দ্রের

# আবেদন

দ্বিতীয় পর্যায়ে কোভিড আক্রান্ত মানুষের সংখ্যা দ্রুত বাড়ছে। দেশে প্রতিদিন প্রায় তিন লক্ষ মানুষ সংক্রমিত হচ্ছেন। হাসপাতালগুলিতে জায়গা নেই। অক্সিজেন ও ওষুধের অভাব প্রকট। ভাইরাসের রূপান্তর পরিস্থিতিকে আরও জটিল করেছে। পুরনো উপসর্গের সাথে যুক্ত হয়েছে নতুন উপসর্গ (অসম্ভব দুর্বলতা, গাঁটের ব্যথা, পেট ব্যথা ইত্যাদি)। এমতাবস্থায় আবেদন -

**সংক্রমণ রোধ :**

সাধারণ কিছু নিয়ম ও বিধি নিষেধ মেনে চললে কোভিড সংক্রমণ রোধ করা যায়।

- ১। বিশেষজ্ঞ ও চিকিৎসকদের পরামর্শ মতো কোভিড আচরণ বিধি (বাইরে গেলে মাস্ক পরিধান, সাবন জল / স্যানিটাইজার দিয়ে ঘন ঘন হাত পরিষ্কার, দু মিটার শারীরিক দূরত্ব বজায় রাখা, ভীড় এড়িয়ে চলা ইত্যাদি) মেনে চলুন।
- ২। বাইরে থাকলে নাকে মুখে হাত দেওয়া যাবে না, প্রয়োজনে কনুই / কাঁধ ব্যবহার করতে হবে। একান্ত প্রয়োজনে হাত পরিষ্কার করে ব্যবহার করতে হবে।
- ৩। বাজার থেকে এসে ব্যাগ সহ সমস্ত সজ্জি আধ ঘণ্টা খাবার সোডার জলে ভিজিয়ে রেখে ধুয়ে ব্যবহার করা নিরাপদ।
- ৪। পারতপক্ষে এ সি না চালানোই ভালো। চালালেও সকলের মাস্ক পরা উচিত।
- ৫। টিকাকরণের সুযোগ থাকলে তা গ্রহণ করা দরকার। গর্ভবতী মায়েদের টিকা নিতে নিষেধ করা হয়। রক্ত তরল রাখার ওষুধ খেলে চিকিৎসকদের পরামর্শ নিয়ে কয়েক দিন ওষুধ বন্ধ রেখে টিকা নেওয়ার পরামর্শ দেওয়া হয়। টিকা নেওয়ার পরেও মাস্ক পরিধান, হাত পরিষ্কার, দূরত্ব বজায় রাখা সংক্রান্ত কোভিড আচরণ বিধি মেনে চলতে হবে (টিকা নেওয়ার পরেও কোভিড সংক্রমণ হতে পারে তবে তা গুরুতর আকার ধারণ করবে না)।

**সৌজন্যে-**

## REPORT

Event Name: Forest week Celebration (Tree Plantation)

Date: 14<sup>th</sup> to 20<sup>th</sup> July 2020

Attendance: 21

The NSS Unit of HETC, in collaboration with Paschim Banga Vigyan Mancha and Bandel Mogra Vigyan Kendra, was celebrated Forest Week from 14th to 20th July 2020 at our HETC campus. This initiative aims to raise awareness about the importance of preserving our forests and biodiversity. The week-long event was included various activities such as tree plantation drives, nature walks, and informative sessions on environmental conservation.

In light of the on-going COVID-19 pandemic, all stakeholders of HETC were earnestly requested to participate in the event while strictly adhering to prescribed safety protocols. The safety and well-being of our community remain our top priority, and we encourage everyone to follow social distancing measures, wear masks, and practice proper hand hygiene during the Forest Week celebrations.

This collaborative effort underscores the commitment of HETC and its partners to environmental sustainability and community engagement. By coming together for this event, we hope to in still a sense of responsibility towards our natural resources and foster a culture of environmental consciousness within the HETC community and beyond. Your active participation was made this initiative a success and contributing to a greener, healthier future.

## REPORT

Cyclone Amphan struck West Bengal with unprecedented force on 20th May 2020, leaving a trail of destruction in its wake. The cyclone, one of the strongest recorded in the Bay of Bengal, caused extensive damage to infrastructure, homes, and agricultural lands. West Bengal, particularly the East Midnapore district, bore the brunt of this natural disaster, with countless families displaced and in dire need of assistance.

In response to this humanitarian crisis, Hooghly Engineering & Technology College took swift action. Recognizing the urgency of the situation, the college collaborated with Paschimbanga Vigyan Mancha to organize a relief camp on 5th June 2020 at Sutahata, East Midnapore. The relief camp aimed to provide essential supplies, shelter, and medical aid to the affected population.

The collaborative effort brought together volunteers, resources, and expertise to address the immediate needs of those affected by Cyclone Amphan. The relief camp served as a beacon of hope, offering not only physical support but also a sense of community and solidarity during a challenging time.

This initiative reflects the college's commitment to social responsibility and its role as a catalyst for positive change in the face of adversity. By actively engaging in relief efforts, Hooghly Engineering & Technology College demonstrated the power of collective action in rebuilding lives and fostering resilience in the aftermath of a devastating natural disaster.

## TECHetc 2K20 NOTICE

15.02.2020

We are happy to inform you all that our college is going to organize the Annual Technical Fest **TECHetc2k20** on 28<sup>th</sup> and 29<sup>th</sup> February, 2020. All are requested to extend their support and cooperation towards making this event successful.

Interested students of HETC are requested to register their names as participants for the said event.

### Registration Guidelines:

1. Students may register themselves **online** from 15<sup>th</sup> February to 25<sup>th</sup> February, 2020 by transferring a fund of Rs. 100/- to the account number with the following details:

A/C holder's Name : Hooghly Engineering & Technology College  
A/C Number : 1421000109110934  
Bank Name : Punjab National Bank  
IFSC Code : PUNB0142100  
Branch : Chinsurah

The transaction ID (screen shot/downloaded receipt) of the payment is to be sent to [techetc@hetc.ac.in](mailto:techetc@hetc.ac.in) as an attachment. **DO NOT FORGET** to mention **Participant name, College Name, Year and Mobile No.** in the mail body. It is mandatory to write "**TECHETC REGISTRATION**" in the subject line of the e-mail.

However, one can also avail the facility of **offline-registration** in the college campus from 18<sup>th</sup> February, 2020 onwards.

2. If somebody is willing to participate in the paid events, they will have to register and pay for the selected events at the time of event registration only. As there will be upper limit of participants for all those events, it will be done on a first come first serve basis.
3. The fees for the selected paid events are given below:-

Sl. No.	Event	Entry fee (Rs.)
1	Subway Surfers	20
2	NFS	50
3	COD	200 per group
4	Bridge the Gap	100 per group
5	Hunt For fun	60 per group
6	8-Ball Pool	20
7	CHESS	20

For more details log on to <http://hetc.ac.in/techetc2k20> or you can ask any of the members of the Techfest Committee.

TECH Fest 2020 (28-29 February 2020)

## REPORT

HETC started a unique initiative 'TECHetc'- an annual state level technical fest in 2015 to promote technical education, a culture of innovation and general awareness about science and technology amongst school students as well as college students from nearby areas as well as other parts of the state. The fest features a variety of competitive events designed to attract students as well as to inspire them to do something different and original. TECHetc2K20 was held on 28-29th February 2020 within the college premises. In this Inter-College Technical Fest, more than 600 students from 42 institutes, including our college, participated. Technical events were organized for the school students too. 18 different competitive events were held during the two days.

## Blood Donation Camp 2019 (REPORT)

On 20th September 2019, Friday, a successful blood donation camp took place at the college seminar room, organized in collaboration with Kothari Medical Centre Blood Bank. The event witnessed a commendable turnout, with 96 students selflessly contributing to the noble cause of blood donation. The camp aimed not only to address the constant need for blood but also to instill a sense of social responsibility among the student community.

Under the supervision of trained medical professionals, the donation process proceeded smoothly, ensuring the safety and well-being of the donors. The collaboration with Kothari Medical Centre Blood Bank proved instrumental in the efficient execution of the camp. This initiative not only contributed to the local blood bank but also fostered a spirit of altruism and community service among the students. The success of the blood donation camp reflects the positive impact that can be achieved through collaborative efforts in promoting health and well-being.

## REPORT

### Thalassaemia Awareness and Detection Camp 2019

Thalassaemia is hereditary haemolytic diseases caused by faulty haemoglobin synthesis, widespread in Mediterranean, African, and Asian countries and sometimes used with a prefix (such as alpha-, beta- or delta-) to indicate the haemoglobin chain affected. It inflicts untold miseries on thousands of victims and their family's worldwide but at the same time may be avoided through detection and precautionary measures if proper awareness and knowledge is present. In India Thalassaemia is a perennial menace further magnified by the lack of awareness about the disease amongst the people. It is a major social and health issue which is not properly highlighted. The government (both in the state and at the centre) specially encourages the acts of spreading Thalassaemia awareness and its detection. Considering this scenario, the college started organizing Thalassaemia Awareness and Detection Camp from 2018 in association with the RanaghatThalassaemia Detection Centre to spread awareness about Thalassaemia in our students as also for its detection. In the year 2019 the camp was held on 3<sup>rd</sup> September, Tuesday and Dr. Rabindranath Halder from RanaghatThalassaemia Detection Centre conducted the awareness programme on Thalassaemia and its prevention. 211 students participated in the awareness camp and 150 students (including 122 B.Tech students and 28 SSDP students) gave blood for the purpose of Thalassaemia detection.

## TO WHOM IT MAY CONCERN

This is to certify that, the Ranaghat Thalassaemia Detection Centre run by NHCCT, had organised an awareness generation camp about Thalassaemia and Blood Sample Collection camp for thalassaemia screening test on 03.09.2019 at Hooghly Engineering & Technology College with their full cooperation and support. We had collected 167 blood sample for screening test and testing reports were handed over to them in due time. The certificate is issued by using our office records.

We wish every success of the institution.

## TECHetc 2K19 NOTICE

13.02.2019

We are happy to inform you all that our college is going to organize the annual technical fest **TECHetc2k19** on 22- 23 February, 2019. All are requested to extend their support and cooperation towards making this event successful.

Interested students of HETC are requested to register their names as participants for the said event.

### Registration Guidelines:

- i. Registration process will start from 15.02.2019. Last date for in-house registration is 21.02.2019.
- ii. Registration fee for each participant is Rs. 100/-. However, separate entry fee is applicable for selected events only.
- iii. If somebody is willing to participate in the paid events then they will have to register and pay for the selected events at the time of registration only. As there will be upper limit of participants for all those events, it will be done on a first come first serve basis.
- iv. Registration will be done in the Admission Cell.
- v. The fees for the selected events are given below:-

Sl. No.	Event	Entry fee (Rs.)
1	Instant cricket	20
2	NFS	50
3	PUBG	200 per group
4	Bridge the Gap	100 per group
5	Hunt For fun	60 per group

For more details log on to <http://hetc.ac.in/techetc2k19> or you can ask any of the members of the Techfest committee.

## NOTE SHEET

In the light of recent digital marketing across the globe, the video-post relating to actor Sabyasachi Chakraborty's message about TECHete 2K19, on our official Facebook page may be 'boosted' by means of 'paid promotion' in order to draw more attention of the participants which will in turn create interest amongst the general public as well.

Details of the proposed 'paid promotion' are given below:

SL.	DURATION	ESTIMATED REACH OUT PER DAY	PER DAY EXPENDITURE	TOTAL EXPENDITURE
1.	10 Days	872 - 4,548 People Per Day	Rs. 660/-	Rs. 6,600/-

(Supporting document attached herewith)

I, humbly request the concerned authority to see to this and grant necessary approval at the earliest.

Principal  
HETC

Accounts Section

**Hooghly Engineering & Technology College**  
**NOTE SHEET**

The details of the estimated Budget of the Annual Technical festival TECHetc 2k19 is given below:

1. Decorators-	7000/-
2. Printing Cost-	10000/-
3. Tiffin for Participants-	15000/-
4. Event preparing materials-	22000/-
5. Light and Sound	6000/-
6. Volunteer Tiffin	9000/-
7. Prize Money	67500/-
8. Decoration-	6000/-
9. Flex Printing-	3000/-
10. Other Expenditures-	5000/-

Total- 1,50,500/-

It is expected that the income from the registration of the students will be nearly 60,500/-. Thus the actual expenditure from the College will be nearly 90,000/-.

I humbly request the concerned authority to see to this and grant necessary approval at the earliest.

## TECH Fest 2019 (22-23 February 2019)

### REPORT

Technical fest always provides a wonderful opportunity to develop and showcase the technical prowess of the students. HETC conceptualized a state level annual technical fest named as "TECHetc" which bring along a plethora of various exciting technical, gaming & creative events. TECHetc 2k19 was held on 22-23<sup>rd</sup> February, 2019 where 257 students from different colleges and 186 students from different schools participated in a total of 13 events for college students and 2 events for school students. TECHetc always dreams of thinking "one step ahead". Some of the interesting events of this year were "HUNT FOR FUN", "MATH MANIA", and TECHNICAL CROSSWORD. People those who opted for more specialization and hard-core technical events got their genres in "CODE-2-DUO", "CODE-RESTYLE", "CIRCUITECH", Civil-O-Pedia",  $\mu$ -MAT", "INSTANT CIRCUIT", "insta-PLAN" and other technical events. Most attractive events were obviously the gaming events like online "CHESS" and "8 BALL- POOL". And also was conducted some of the popular and interesting events like, "MODEL DISPLAY", "SUBWAY SURFER" "BRIDGE THE GAP" "ROBOZIGGER" and creative events like "ART CARNIVAL & DIGITAL PAINTING". As of last year, this year also there was a responsive participation by the school students in their respective events. It is obviously a best platform to those scholastic 'techy' brains to get an essence of these technical events. The "backbone" behind the fest comprised of the Faculty and Staff members and also the 60 Student Volunteers, who were entrusted with the responsibility of conducting, planning and organizing the entire fest worked as team for the smooth sailing of the entire programme.

## Thalassaemia Awareness and Detection Camp Report

Thalassaemia is hereditary haemolytic diseases caused by faulty hemoglobin synthesis, widespread in Mediterranean, African, and Asian countries and sometimes used with a prefix (such as alpha-, beta- or delta-) to indicate the hemoglobin chain affected. It inflicts untold miseries on thousands of victims and their family's worldwide but at the same time may be avoided through detection and precautionary measures if proper awareness and knowledge is present. In India Thalassaemia is a perennial menace further magnified by the lack of awareness about the disease amongst the people. It is a major social and health issue which is not properly highlighted. The government (both in the state and at the centre) specially encourages the acts of spreading Thalassaemia awareness and its detection. Considering this scenario the college started organizing Thalassaemia Awareness and Detection Camp from 2018 in association with the RanaghatThalassaemia Detection Centre to spread awareness about Thalassaemia in our students as also for its detection. The camp was held on 4<sup>th</sup> October, 2018 Thursday in presence of Dr. Rabindranath Halder from RanaghatThalassaemia Detection Centre who also delivered a lecture on Thalassaemia and its prevention. A total of 138 students and staff members participated in the awareness camp.

## REPORT: VISIT TO MAA MISSION ASHRAM

Hooghly Engineering and Technology College got involved with social working for the very first time under the guidance of NSS and in collaboration with Paschimbanga Bigyan Mancha (Bandel branch). A very handful of students were involved in it and we paid a visit to a missionary organization called “Maa Mission”.

On 6th March 2020, we set off from our college with our teachers and our respected Principal Sir, Prof. Sumanta Bhattacharyya. The mission was situated near Hooghly station which was not far away from the college. As we reached there, a few people were waiting for us and they welcomed us heartily. We saw some small children playing around. We also met the proprietor, Mr. Kartik Banik whose only dream was to look after these children, educate them and teach them the meaning of life. We had some conversation with him where he inspired us by saying that he was once an active political worker in his college life but he gave up on every dream of his life as his only motto was to look after these children. Soon, we met those happy faces for which we were all excited. Those kids were very friendly and helpful. We played with them and distributed some gifts which we carried with us. They were all full of joy. We also clicked pictures with them. They were free enough to share their problems with us – they were mainly lacking a bit of guidance in their studies as they didn't have any private tutor. We promised to visit them from time to time and help them out as much as possible.

That day, we returned with our minds full of happiness as the people and children of the mission shared their positivity with us. We are very thankful and much honoured to our college authorities for providing us with this opportunity. We look forward to join in these types of ventures more often.
