Panel Discussion

HOOGLHY ENGINEERING AND TECHNOLOGY COLLEGE

VIVEKANANDA ROAD, PIPULPATI

P.O. & DIST.: HOOGLHY

PIN: 712103

05.03.2022

NOTICE

On the occasion of **International Women's Day 2022**, the NSS Unit and Magazine Committee of our college are jointly organizing a small ceremony to felicitate the Female stakeholders and a **Panel Discussion** for the students on **08.03.2022** at the college **Auditorium** from **3:30 p.m.** onwards.

The members of the faculty, staff and students are cordially invited to be present at 3:30 pm on that day to attend the program and celebrate the occasion in a befitting manner.

Students who will be registered through the Google Form Link given below are hereby notified about the basic guidelines of the event:

1. The topic for panel discussion is as follows:

The idea of women's empowerment in a regressive society like ours is just a myth.

আমাদের মতো পশ্চাৎপদ সমাজে নারীর ক্ষমতায়নের ধারণা একটি মিথ মাত্র।

2. The maximum number of participants in the discussion is 20. In case the total number of applicants exceeds 20, there will be a screening round to shortlist the finalists.
3. The screening round, if needed, will be held at the same venue but from 11:00 am. The topic for screening round will be given at that time.
4. The duration of the discussion is **one hour** only. Any alteration/ addition to this time limit is left to the discretion of the moderator.
5. The participants may express their thoughts in any of these three languages: **English, Hindi or Bengali.**
6. The participants are expected to maintain the decorum of a formal discussion and conduct themselves with politeness and dignity. Any incident to the contrary will lead to the candidate's immediate disqualification from the event.

For any further queries regarding this event, please contact the Magazine Committee members.

Last date for registration: - 07.03.2022

Dr. Smitadri Ganguly
Principal in-Charge

Event Name: International Women's Day 2022

Date: 08.03.2022

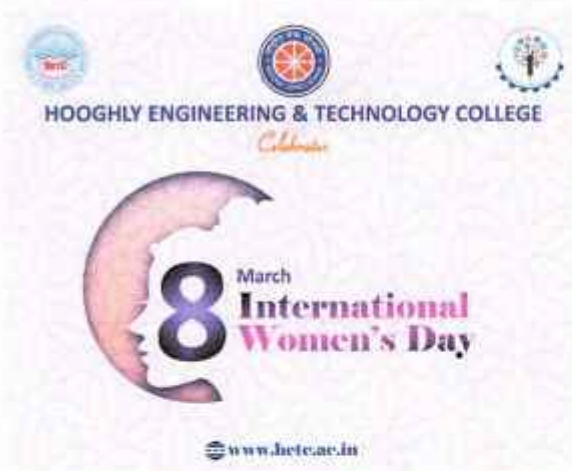

Time: 03:30 PM -5:35 PM

Total Attendee: 122

Teacher Coordinator: Mr. Swarup Samanta, Mrs. Sudeshna Banerjee, Mr. Saurav Chowdhury

Student Coordinator: Ms. Ahana Paul, Mr. Subhodeep Das, Mr. Rudradeb Chatterjee

Principal in Charge
Hooghly Engineering & Technology College
Vivekananda Road, Pipulpati, Hooghly.

On the occasion of International Women's Day 2022, the NSS Unit and Magazine Committee of Hooghly Engineering & Technology College jointly organized a small ceremony to felicitate the Female stakeholders and a Panel Discussion on the topic 'The idea of women's empowerment in a regressive society like ours is just a myth' for the students on 08.03.2022 at the college Auditorium from 3:30 p.m. onwards. The programme commenced with the lamp lighting ceremony followed by some inspirational speeches by Dr. Smitadhi Ganguly, Principal In-Charge, HETC, Dr. Avijit Maity, Secretary, HETCS and Dr. Aishwarya Mukherjee, HOD, BSH Department, HETC. The programme consisted of songs and recitation by students as well as staff members. After the performances, the panel discussion was conducted by Mr. Subham Ganguly, Assistant Professor, BSH Department, HETC. The participants shared some really interesting ideas and concepts. Overall, it was a very lively, informative and engaging conversation. At 05:35 PM, the programme was concluded with a cake-cutting ceremony.

4 Days Workshop On UHV

FOUR DAYS WORKSHOP ON 'UNIVERSAL HUMAN VALUES'

A four-day workshop on 'Universal Human Values' was conducted at Hooghly Engineering & Technology College, Hooghly, from 7 August, 2019 to 10 August, 2019 to reinvigorate the message of Peace, Love, Nonviolence and Social Values among the students of HETC.

Day 1: 7th August, 2019: Prof. S. Bhattacharyya, Principal, HETC inaugurated the program at 2:00 pm with a small but inspirational speech after which the movie 'Gandhi' was shown to the students with the help of a HD projector on a white screen in college auditorium. This particular movie was chosen because it not only serves as a history lesson (although it does) but that, at a time when the threat of nuclear holocaust hangs ominously in the air, it reminds us that we are, after all, human, and thus capable of the most extraordinary and wonderful achievements, simply through the use of our imagination, our will, and our sense of right.

THE MOVIE 'GANDHI'

Day 2: 8th August, 2019: Mr. Subham Ganguly, Assistant Professor, BSH Department, delivered a seminar on 'Universal Human Values'. In his seminar, he took an interesting standpoint that human values or one should say moral values cannot be universal, well not all of them. He gave several examples where the values totally depended on the situation or

S. Bhattacharyya
Prof. (Dr.) Sumanta Bhattacharyya
Principal
Hooghly Engineering & Technology College

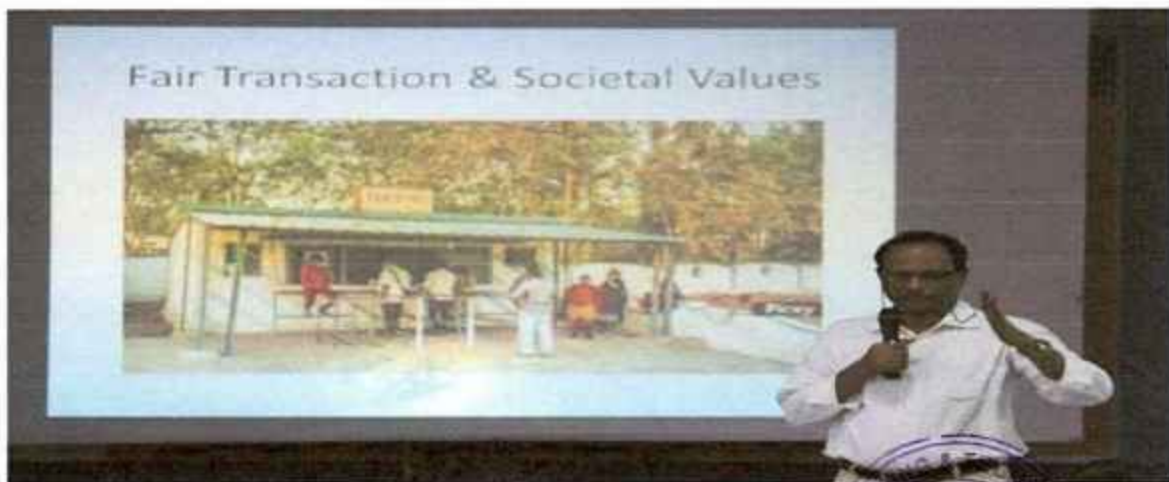

rather one's perception of the situation. His unusual take on human values made the students think about their perspectives.

SESSION BY MR. SUBHAM GANGULY

Day 3: 9th August, 2019: Mr. Arup Maity, Assistant Professor, BSH Department, delivered a seminar on 'Fair Transaction & Societal Values'. Through the seminar, he taught the students the nuances of societal values. He discussed various values which are to be expected from the students as well as those values which the students should expect from their surroundings. He also spread Swami Vivekananda's teachings on how to improve self-confidence and self-control.

SESSION BY MR. ARUP MAITY
Shattacharya
Prof. (Dr.) Sumanta Bhattacharyya
Principal
Engineering & Technology College

Day 4: 10th August, 2019: Prof. S. Bhattacharyya, Principal, HETC, delivered a seminar on 'Universal Human Values'. He gave many thoughtful insights on various aspects of human nature which one should control to grow confidence in their abilities to withstand the test of time. He gave several examples on why one should control their anger and also gave many tips on anger management-a quality deemed very important throughout one's life.

SESSION BY PROF. S. BHATTACHARYYA, PRINCIPAL, HETC

Ex-ISRO Scientist, Swami Swatmananda, monk of RamKrishna Vivekananda Clan, KunduGhat, continued the workshop with his seminar on 'Contribution of Swami Vivekananda towards Science & Technology'. He cited several examples from Swami Vivekananda's life as well as from his personal experience that show how spirituality can help shape one's individuality which in turn can help one achieve their fullest possibility. The lecture became more special as the present year marked the 125th anniversary of Swami Vivekananda's Chicago speech. At the end of his speech, Swami Swatmananda was felicitated by Prof. S. Bhattacharyya, Principal, HETC.

SESSION BY SWAMI SWATMANANDA
Prof. (Dr.) Sumanta Bhattacharyya
Principal
Engineering & Technology College

Seminar on Professional Ethics

Seminar Report on Professional Ethics

Date: 02.08.2018

Venue: Auditorium, HETC

A session was held on "Professional Ethics" where Swami Tattwasarananda explained the importance of work culture and the ethics which should be followed for a healthy working ecosystem.

The seminar was attended by more than 300 students and faculty members and office staffs. The seminar aimed to discuss and promote ethical practices in the workplace and beyond.

Key Discussions:

Ethical Dilemmas: Case studies and discussions highlighted common ethical challenges faced in different professions.

Code of Conduct: Presentations focused on the importance of adhering to professional codes of conduct and ethical guidelines.

Role of Leadership: Speakers emphasized the role of leadership in fostering a culture of integrity and ethical decision-making.

Key Outcomes:

- Enhanced understanding of ethical principles and their application in professional settings.
- Commitment from participants to uphold ethical standards and promote ethical behavior in their organizations.

The seminar concluded with a call for continued dialogue and action to strengthen ethical practices across industries, ensuring trust and integrity in professional environments.

Mental Health Awareness Seminar Report

Date: 28.07.2022

Time: 02:00 pm onwards

Venue: College Auditorium

Attendees: Around 163 students and 42 staff members

The Mental Health Awareness Seminar was organized, aiming to educate participants about various aspects of mental health and create awareness about this pressing issue. The seminar commenced with an opening speech by Mr. Joydeep Dam, who introduced the objectives of the event and emphasized the importance of mental health awareness in society today. He began by highlighting the magnitude of mental health problems globally, stressing the significance of recognizing symptoms, intervening early, and providing support to individuals facing mental health issues.

The session was very interactive and the participants were encouraged to share their lowest point in life which allowed the speaker to share some activities and techniques for managing stress, building resilience, and enhancing psychological well-being. Information about local mental health organizations, support groups, and online platforms for mental health support were shared at the end of the seminar, encouraging individuals to seek help for themselves or assist others.

The session ended with a vote of thanks and a token of appreciation presented to the speaker, Mr. Joydeep Dam by Dr. Avijit Maity, Secretary, HETCS.

**REPORT ON
CONSTITUTIONAL
OBLIGATIONS**

**REPORT OF THE SEMINAR ON 'CONSTITUTIONAL OBLIGATIONS' ON 22ND
JANUARY, 2020**

A seminar on Constitutional Obligations was organized by Hooghly Engineering and Technology College at the seminar room on 22nd January, 2020. The program started at 2.00 pm with the lamp lighting by the principal of HETC, Secretary HETCS, honorable speaker Mr. Tapas Mukhopadhyay (Deputy Magistrate and Deputy Collector, Nadia (Ranaghat)) and other dignitaries present in the program. Almost 120 students and faculty participated the seminar.

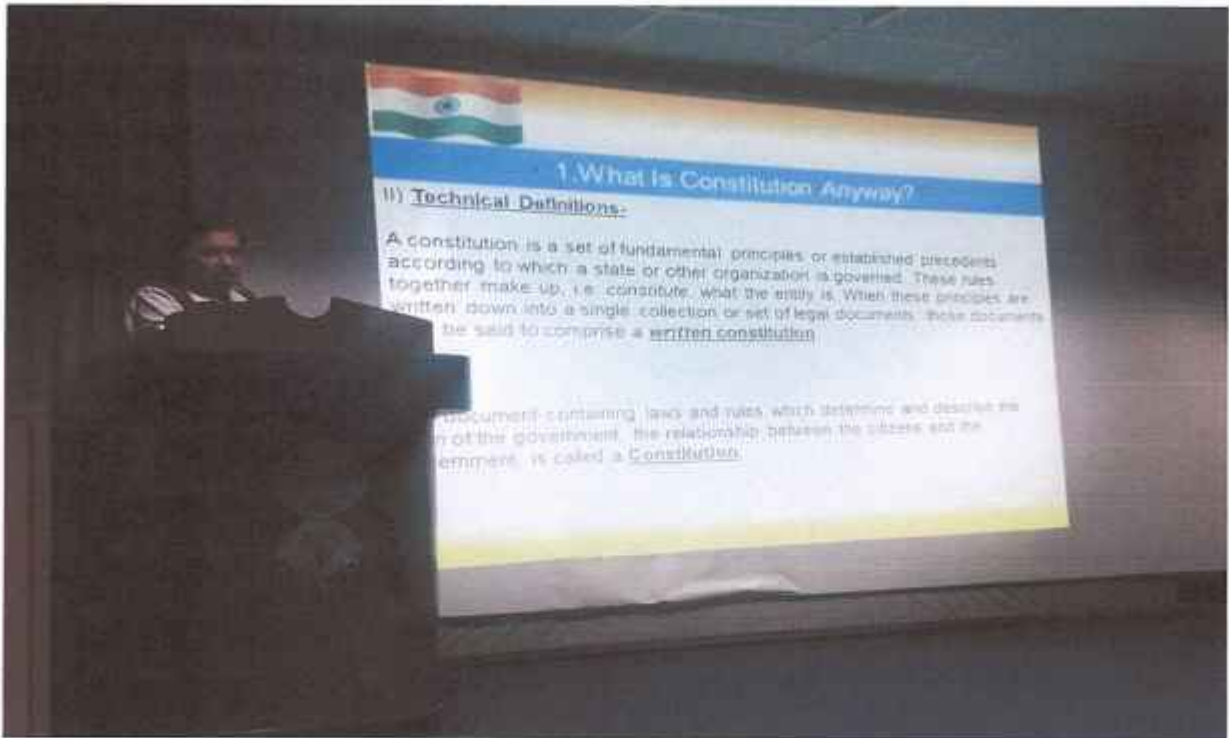

Mr. Mukhopadhyay started with 'What is constitution' and 'why we need constitution.' After this he gave a brief history of the constitution. Next, he discussed about the preambles of constitution i.e. sovereignty, secularity, socialist, democratic and republic structure of the Indian constitution and purpose of having preambles of the constitution. After this, he discussed about the right of equality, right to freedom, right to speech and other fundamental rights. At the concluding part, he reminded us about our fundamental duties and discussed about the directive principles.

After the valuable speech of Mr. Tapas Mukhopadhyay, the anchor, Mr. Subham Ganguly opened the session for discussion. Mr. Mukhopadhyay answered the questions from the students to clear their ambiguity.

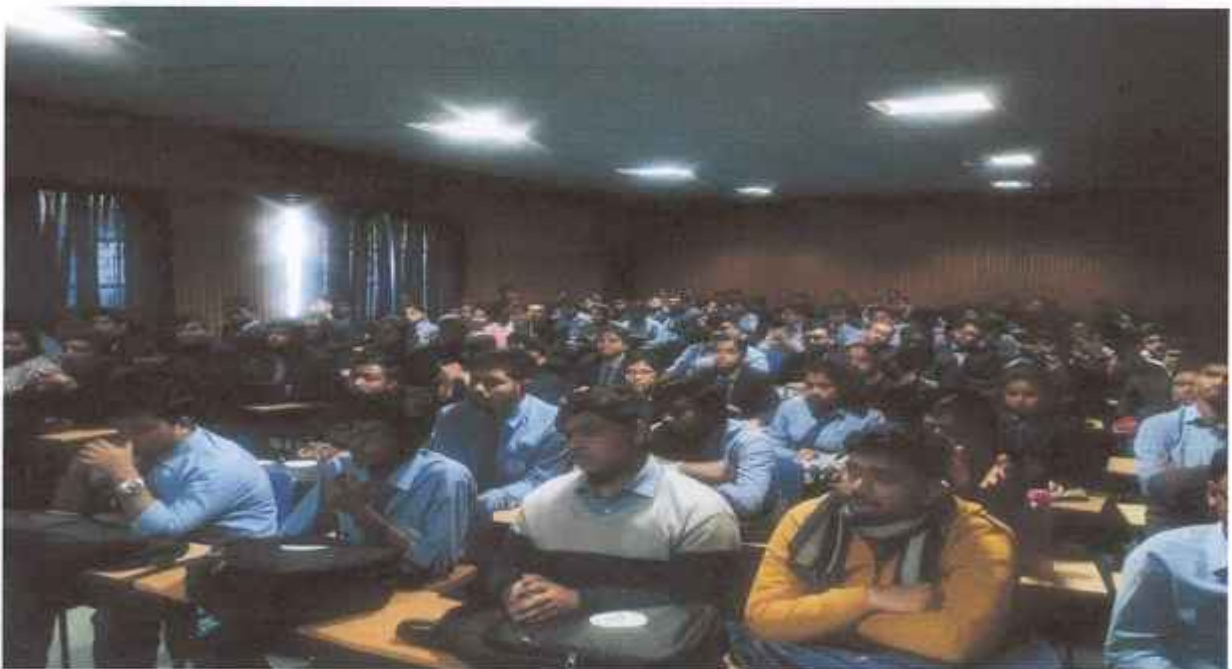

At the end of the program, Principal and secretary HETCS felicitated Mr. Tapas Mukhopadhyay with a memento.

**IBS Programme Locating
Human in Every Gender
and Religion**

ONE DAY WORKSHOP ON 'LOCATING HUMAN IN EVERY GENDER AND RELIGION'

One day workshop on 'Locating Human in Every Gender and Religion' has been conducted at Hooghly Engineering & Technology college, Hooghly, on 14.08.2019 from 2.00 p.m. to spread awareness on Gender Equity and harmony towards cultural, regional diversity among the students of HETC. The workshop was conducted by Prof. Arpita Chowdhury from IBS group. A total number of 140 students participated in the program. Assistant Training & Placement Officer of this college Mr. Sudip Banerjee introduced Prof. Chowdhury.

In the workshop, Prof. Chowdhury emphasized on the equity of different genders and religions. She reminded everyone about the unity in diversity of Indian culture. A beautiful example was set by the help of newspapers, which was participated and enjoyed by the students. Every student appreciated the workshop very much. At the end of the program, she took a feedback form from the students to analyze the effect of the workshop.

Workshops on Awareness against Superstitions

Awareness on Superstitions

An awareness session was organized by “Paschimbanga Biggyan Mancha” on superstition in shaping up a society free from irrational practice and believes. The primary objective of the workshop was to raise awareness and debunk common superstitions prevalent in our society. The workshop was attended by more than 300 participants.

Engaging discussions and presentations were conducted to highlight the origins and fallacies of superstitions. Real-life examples were shared to illustrate the negative impact of superstitions on individuals and communities. Participants enacted scenarios to demonstrate how superstitions can influence decision-making and behavior.

Key Outcomes:

- Increased awareness among participants about the irrationality of superstitions.
- Encouragement of critical thinking and questioning of beliefs.
- Pledges from participants to educate others and promote rational thinking in their communities.

Conclusion: The workshop concluded with a renewed commitment to combat superstitions through education and awareness. Participants expressed enthusiasm in spreading the knowledge gained to eradicate superstitions from their surroundings.

Utkarsh
The annual cultural fest

HOOGHLY ENGINEERING & TECHNOLOGY COLLEGE

VIVEKANANDA ROAD, PIPULPATI, HOOGHLY-712102, W.B.

UTKARSHA2023 (11/01/2023)

“UTKARSHA”, the name itself speaks a lot amongst the members of HETC family. Hooghly Engineering & Technology College celebrates this vibrant annual cultural program as Utkarsh 2023.

Like every year, this year also, a colourful and memorable Cultural Fest Utkarsha 2023 was held on 11th January at Aqua Marina Water Theme Park, Hooghly. This event was whole day long. In this event the students of HETC get display their artistic sides.

At around 11.00 a.m. onwards the event came to live with the inauguration of Utkarsha 2K23 by our honourable Secretary HETCS, Dr. Avijit Maity and Principal-in-Charge HETC, Dr. Smitadhi Gangly and President HETCS, Prof.(Dr.) T. K. Bandyopadhyay. After the lamp-lighting and inauguration speech ceremony, the performances were ready to light up the stage. It started with some soulful songs by the students followed dancing, poetry recitation; beat boxing, stand-up comedy, group dancing, classical & fusion and lazy dance. Like previous year this year also we organized a spectacular “ramp walk event”. After that the dance performance dazzled the audience by their moves. It was a proud moment for HETC to have such immense talents came out every year during the fest. Everyone sat glued to the show. Lunch was provided to the students, teaching and non-teaching staff members and guests present with the help of student volunteers under the supervision of teachers.

After the in-house events it was time to rock the stage by external artists. At the evening the ground was lit up by the mesmerizing performance of FOKIRA and TRAP. FOKIRA heated up the audience with some rocking songs. After their awesome performance, the stage was handed over to TRAP who made the audience banged their heads with the songs. Around 9.30 P.M. the great festive journey ended on a joyous and entertaining note making the day a memorable for everyone, the memories which would be carried by the every person present at that evening in their bottom of the heart. All of us really enjoyed a lot and dispersed with a sincere hope that such mega events should be organized every year for giving the scope to students showcase their talents. Last but not the least, I would like to congratulate all the core members, volunteers of the Utkarsha 2K23 as well as all the Teaching Non-Teaching staff members of HETC, all the Students & Stakeholder for their whole hearted support for the mega event.

UTKARSHA 2k22

Reported By Sreyasi Rupa De
Deputy Registrar, HETC & Convener, HETCS Skill Development Centre

“**UTKARSHA**”, the name itself speaks a lot amongst the members of HETC family. Hooghly Engineering & Technology College celebrates this vibrant annual cultural program as Utkarsh 2022.

Like every year, this year also, a colorful and memorable Cultural Fest Utkarsha 2022 was held on 25th March at Aqua Marina Water Theme Park, Hooghly. This event was whole day long.

At around 11.00 a.m. onwards the event came to live with the inauguration of Utkarsha 2K22 by our honorable hon'ble Secretary HETCS, Dr. Avijit Maity and Principal-in-Charge HETC, Dr. Smitadhi Gangly and due to health issues President HETCS, Prof.(Dr.) T. K. Bandyopadhyay did not attend the Programme however he sent his wish for grand success of the mega event. After the lamp-lighting and inauguration speech ceremony, the performances were ready to light up the stage. It started with some soulful songs by the students followed dancing, poetry recitation, beat boxing, stand-up comedy, group dancing, classical & fusion and lazy dance. Like previous year this year also we organized a spectacular “ramp walk event”. The theme of the ramp was “Shah Rukh Khan Movie”. After that the dance performance dazzled the audience by their moves. It was a proud moment for HETC to have such immense talents came out every year during the fest. Everyone sat glued to the show.

In between the events a prizes distribution ceremony was organized for the pass out students their brilliant achievements in career in the following segments

Sl. No.	Department	Segment	Name of the Students
1	CSE	Highest Package	Ankit Patra
		Maximum no. of job offers	Ryme Majumdar
2	ECE	Maximum no. of offers	Ayushman Manna
		2 nd highest no. of offers	Brishti Sarkar
3	EE	Maximum no. of offers	Sourav Dutta
		2 nd highest no. of offers	Sayantana Chakraborty
4	ME	Highest Package	Adrish Kumar Mitra
		Maximum no. of offers	Sukhendu Sekhar Nath
5	CE	Highest Package	Kumar Aman Verma
		Highest Package	Sourav Samanta

After the in-house events it was time to rock the stage by external artists. At the evening the ground was lit up by the mesmerizing performance of Snigdhaajt and Underground Authority. Snigdhaajt heated up the audience with some rocking songs like “Na jane Koi”, “O Meri Jaan”, “Teri diwani” etc. After his awesome performance, the stage was handed over to Underground Authority who made the audience binged their heads with the songs like “Insaaf ka Qaatil”, “Hogi Subha” and others.

Around 9.30 P.M. the great festive journey ended on a joyous and entertaining note making the day a memorable for everyone, the memories which would be carried by the every person present at that evening in their bottom of the heart. All of us really enjoyed a lot and dispersed with a sincere hope that such mega events should be organized every year for giving the scope to students showcase their talents.

Last but not the least, I would like to congratulate all the core members, volunteers of the Utkarsha 2K22 as well as all the Teaching Non-Teaching staff members of HETC, all the Students & Stakeholder for their whole hearted support for the mega event.

Hooghly Engineering & Technology College

UTKARSHA 2k20

Reported By Subhojit Mukherjee / CSE / 3rd Year

"UTKARSHA", a special 8-lettered term to our HETC family where all the students crave for this day year along to inculcate the positive vibes from the event. Our Hooghly Engineering & Technology College celebrates their annual cultural programme in this very name of Utkarsha.

This year, Utkarsha 2020 was held on 12th February at Aqua Marina Water Theme Park, Hooghly where the event flourishes its beauty and valour. The students arrived much before the scheduled entry time and were way too excited for the day. The teachers at their arrival, deployed themselves to their respective responsibilities so that there remains complete amusement and fun amongst the students.

At around 11.30 am, the stage came lively with the inauguration of our cultural fest by our honourable Principal (HETC), Prof. Sumanta Bhattacharyya, Prof. Tarak Kr. Bandyopadhyay (President, HETCS) and Dr. Avijit Maity (Secretary, HETCS). After the lamp-lighting and inauguration speech ceremony, the performances were ready to lit up the stage. I was very privileged to become a co-host for the days' event and so without delaying, my co-anchor and I started announcing the roller coaster ride of cultural performances that were to be presented. It started with recitation followed by some soulful songs with entertaining flavour. Next up, we had organized for the first time in the history of Utkarsha, "a themed ramp walk event" to glorify the show further. The theme of the ramp was "Indian Bridal". It carried away everyone's attention as the participants proudly carried their personality in various bridal attires such as the Assamese, Gujratis, Rajasthanis, Punjabis, Christians, Muslims and our very own Bengalis. After that it was time for the dance performers to rule the stage. I was overwhelmed as my performance was well appreciated. While the festivities carried on, the student volunteers provided some snacks and lunch to all the students, teachers and guests. Sharp at 3.30pm, the performances of the students ended with the heated 'Garmi' song.

The students received a break after grooving with every performance and were refreshing themselves in the fresh air to tune up themselves for a musical eve to be presented by renowned Tollywood singer, **Raj Burman** and **T.R.A.P.**, the popular rock band.

As the clock ticked at 6.30pm, the stage lit up for the ultimatum and the melodious voice of Raj Burman slowly becomes audible amongst all. Being a Valentine week, he recharged the audience with romantic hits like 'Janam Janam', 'Hawayein', 'Bekhayali' and some of his original numbers like 'Amar mon Tor Paray', 'Keno je toke'. After his soothing performance, the stage was handed over to T.R.A.P. who made the audience groove to next level with peppy numbers like 'Shaam Gulaabi', 'Dhan te Nan' and the violinist of the band took the rocking rhythm to sky high with their showstopper tune 'Zinda'.

At 9.30 pm, the festive journey ended on a joyous and entertaining note making the day a memorable one forever. The memories will have a special corner in our heart making it the best day to cherish in our college life.

REPORT ON UTKARSHA 2019

UTKARSHA, HETC's cultural fest, an event where students get to display their artistic sides on the open stage for everybody to see was organized at the Aqua Marina, Hooghly on 21st January, 2019 where the environment and the surroundings complimented the mood of cultural fest. At 10'o clock the fest started with the lamp lighting ceremony followed by some inspiring words from Dr. Sumanta Bhattacharya (Principal, HETCS), Dr. T.K. Bandyopadhyay (President, HETCS) and Dr. Avijit Maity (Secretary, HETCS) who encouraged all the students to hone their talents and carry on with the festivities. With a mix of singing in three different languages, dances, and some wonderful skits it was evident that the students of HETC have some serious talent in the cultural aspect. Lunch was provided to all the students, teachers and guests present with the help of student volunteers under the supervision of teachers.

Even though the students were exhausted after dancing and grooving with every performance but as soon as the dusk set in Emon Chatterjee took the stage and recharged everybody with his electrifying performance. After his rocking performance the next band to take the stage was none other than Underground Authority whose performance upped the energy to a new level. Their take on A.R. Rahman's songs was fun to listen. In the middle of their performance they paid a tribute to Late Chester Bennington by singing 'In the End' and ended their performance with their showstopper song "Urvashi".

At the end of the day all the students yearned that the day extend a little more for their enjoyment but alas every good thing must come to an end and the students returned home with a mixed feeling of joy and a thoughtful wait for the next.

TECHETC
The annual technical fest

Hooghly Engineering & Technology College

Vivekananda Road, Pipulpati, Hooghly – 712103

TECH Fest 2023 (17-18 March 2023)

REPORT

Technical fest always provides a wonderful opportunity to develop and showcase the technical prowess of the students. HETC conceptualized a state level annual technical fest named as “TECHetc” which bring along a plethora of various exciting technical, gaming & creative events.

HETC started a unique initiative ‘TECHetc’- an annual state level technical fest in 2015 to promote technical education, a culture of innovation and general awareness about science and technology amongst school students as well as college students from nearby areas as well as other parts of the state. The fest features a variety of competitive events designed to attract students as well as to inspire them to do something different and original. This year, TECHetc2K23 was held on 17-18th March 2023 within the college premises. In this Inter-College Technical Fest, more than 450 students participated from different institutes. 18 different competitive events were held during the two days.

TECHetc always dreams of thinking “one step ahead”. Some of the interesting events of this year were HUNT FOR FUN and MATH MANIA. People those who opted for more specialization and hard-core technical events got their genres in “CODE-2-DUO”, “CODE-RESTYLE”, “ELECTROTECH-EXPLORATION”, “INSTANT CIRCUIT”, “insta-PLAN” and other technical events. Most attractive events were obviously the gaming events like CHESS NFS, E-CARROM, COUNTER-STRIKE, INSTASNT CRICKET and 8 BALL-POOL. We also was conducted some of the popular and interesting events like, MODEL DISPLAY, BRIDGE THE GAP and ROBOZIGGER. The “backbone” behind the fest comprised of the Faculty and Staff members and also the 100 Student Volunteers, who were entrusted with the responsibility of conducting, planning and organizing the entire fest worked as team for the smooth sailing of the entire programme.

TECHetc 2k21

Reported By Dr. Pratyay Debnath

Associate Professor, BSH Department, HETC & Convener, TECHetc 2k21, HETC

Technical fest always provides a wonderful opportunity to develop and showcase the technical prowess of the students. HETC conceptualized a state level annual technical fest named as "TECHetc" which bring along a plethora of various exciting technical, gaming & creative events. In general, the event is conducted on HETC campus but due to pandemic, the 7th edition of the "TECHetc" was conducted in virtual manner in a completely different way.

TECHetc 2k21 was held on 15-16th September, 2021 where 228 students from different colleges and 186 students from different schools participated in a total of 13 events for college students and 2 events for school students. TECHetc always dreams of thinking "one step ahead". Since the event was conducted virtually, it was necessary to change a few events from the last year and new concepts were also blended.

Some of the interesting events of this year were "HUNT FOR FUN", "MATH MANIA", TECHNICAL CROSSWORD. People those who opted for more specialization and hardcore technical events got their genres in "CODE-2-DUO", "CODE-RE-STYLE", "CIRCUITECH", Civil-O-Pedia", μ -MAT", "INSTANT CIRCUIT", "insta-PLAN" and other technical events. Most attractive events were obviously the gaming events like online "CHESS" and "8 BALL- POOL". As of last year, this year also there was a responsive participation by the school students in their respective events. Since the event was conducted virtually, it was not possible for the committee to conduct some of the popular and interesting events like, "MODEL DISPLAY", "SUBWAY SURFER" "BRIDGE THE GAP" "ROBOZIGGER" and creative events like "ART CARNIVAL & DIGITAL PAINTING".

It is obviously a best platform to those scholastic 'techy' brains to get an essence of these technical events. The "backbone" behind the fest comprised of the Faculty and Staff members and also the 50 Student Volunteers, who were entrusted with the responsibility of conducting, planning and organizing the entire fest worked as team for the smooth sailing of the entire programme.

HETC-Chronicle

HETC Chronicle

Hooghly Engineering & Technology College

Issue: June, 2023

The edition is available at www.hetc.ac.in

Principal's Column

The half-yearly e-Newsletter of Hooghly Engineering & Technology College, HETC Chronicle had been an attractive and at the same time, an informative publication of the college in the previous years. The e-newsletter for June 2023 is about to be published maintaining the tradition of the college and covering varied events and contributions of this college like academic, social, extra-curricular, and sports & games activities. As this college has continuously been focusing on achieving newer heights of excellence in academics along with other co-curricular areas with the whole-hearted involvement of teaching and non-teaching members and students, the publication of this newsletter adds a new feather to its endeavor.

Campus News

- The Annual Cultural Fest of HETC, *UTKARSHA 2023*, was held on 11th January 2023 at Aqua Marina Theme Park, Hooghly. More than 100 students performed at the event, and around 80 were volunteers. The renowned band FAKIRA and the famous rock band TRAP performed in the musical evening.

- On January 26th, 2023 NSS Unit of HETC organized program to celebrate the **74th Republic Day** with a flag the hoisting session followed by a cultural program.

HETC Chronicle

Hooghly Engineering & Technology College

Issue: December, 2022

The edition is available at www.hetc.edu.in

Principal's Column

It is heartening to know that the December 2022 issue of the bi-annual e-newsletter of the college "HETC Chronicle" is ready to be published now. After the ebbing of the COVID-19 pandemic, the e-newsletter is also returning to its normal publication schedule.

The Odd Semesters of the 2022-23 sessions have been an eventful period for the college. The Induction Program for the freshers was held in offline mode from 14th October – 3rd November 2022. All other activities and programs were also held in the old way to the relief of everyone. Direct contact and interaction between students and teachers have been fully established again.

But the pandemic introduced us to some new concepts and new ways which are here to stay. Some irrevocable changes have occurred in the teaching-learning process. Digital and blended learning, the use of virtual classrooms, and LMS are now essential requirements.

On the occasion of the online publication of the newsletter for the period from July to December 2022, brimming with exciting news encompassing all activities of the college, I applaud the effort of the entire team of "HETC Chronicle" for a timely and quality publication.

Campus News

- The NSS Unit of HETC organized a **Mental Health Awareness Program** on July 28th, 2022 at College Auditorium. More than 200 students, faculty members, and staffs attend the program.

- On August 15th, 2022 NSS Unit of HETC organized a program to celebrate the **75th Independence Day (Azadi Ki Amrit Mahotsav)** with a flag hoisting session, tree plantation, procession, and a cultural program.

HETC Chronicle

Principal's Column

I am glad to hear that after a long gap of two and a half years the e-newsletter of our college 'HETC Chronicle' is going to be published again. In between, we went through one of the darkest phases of our lives, fighting against the COVID-19 pandemic through the maze of lockdowns, home isolations and a long procession of seemingly endless deaths. This publication is a bright ray of hope that life is still thriving.

As an educational institute we had to make sure that teaching-learning process continued during this turmoil and I am happy to say that we were able to rise to the occasion. We shifted to online mode of teaching using virtual classroom and LMS and the students attended the theory and laboratory classes through their PCs, laptops or smartphones from their homes. Examinations were also conducted successfully through online mode.

This edition of the e-newsletter has covered the whole period right from January 2020 to June 2022. I specially congratulate the entire team of 'HETC Chronicle' for a timely and quality publication of the newsletter against all odds.

Campus News

- The Annual Cultural Fest of HETC, *UTKARSHA 2020*, was held on February 12 at Aqua Marina Theme Park, Hooghly. More than 100 students performed in the event, and around 75 were volunteers. Renowned singer Raj Burman and the famous rock band TRAP performed in the musical evening.

- The Annual Sports Meet of the institute was held on February 20, 2020, at the college playground. The enthusiastic & active participation of the students made the meet colourful and happening. The boys' events included 300 mts. run, long jump, high jump and shot put. Events like 100 mts. run, balance race, potato race and musical chair were conducted for the girls.

The 4th and 5th batches of "Suryamitra Skill Development Program" were inaugurated on 16th August and 4th October, 2018 respectively.

The 1st batch of Suryamitra PV Installer Programme was inaugurated on 15th September, 2018.

An Entrepreneurship Awareness Camp was organized by the ED Cell of HETC during 26th – 28th September, 2018 in association with EDI, Kolkata and NSTEDB, DST, GOI.

Students of all the departments jointly celebrated "Teachers' Day" on 5th September, 2018 by felicitating the teachers and organizing cultural programmes.

The AGM of the HETC Student Chapter of IE(I) was held on 25th September, 2018 followed by presentations delivered by the students.

A Thalassemia Awareness and Detection Camp was organized in the college campus on 4th October, 2018.

Educational College Tour in historical places

Educational College Tour Report: Historical Places

Date: 10.08.2019 and 16.08.2019

Destinations: Bandel Church and Hansheswari Mandir

Participants: 25 each group total 75 students and 6 faculty members participated in the educational tour.

Purpose: The tour aimed to provide students with historical insights and cultural enrichment.

Activities:

- Guided Tours: Visits to historical sites with expert guides providing historical context.
- Interactive Learning: Discussions on the significance of each site in shaping history.
- Cultural Immersion: Exposure to local customs and traditions.

Key Outcomes:

- Enhanced understanding of historical events and their impact on society.
- Appreciation for cultural heritage and its preservation.

Conclusion: The tour concluded with students gaining a deeper appreciation for history and cultural diversity, fostering a sense of global awareness and respect.

Principal in Charge
Hooghly Engineering & Technology College
Vivekananda Road, Pipulpati, Hooghly.

The NSS Unit of Hooghly Engineering & Technology College arranged an online webinar on the topic 'The Great Indian Food Heritage: An evolution through ages' under Ek Bharat Shreshtha Bharat – Azad Ka Amrit Mahotsav Programme. The food habits of a culture or a country or a group of people is influenced by the regional geography, religious beliefs, economy, trade and exchange and surprisingly, war and invasion. The cuisines of a culture are passed through one generation to another, sometimes, going through various additions and subtractions. Through this particular topic, the concept of unity through diversity was presented in front of the students as sometimes, the food of a particular culture is adopted by another culture in a modified form. The participants were enlightened and enjoyed very much. The webinar concluded at 12 noon with a vote of thanks to the speaker.
